2 of 2 people found the following review helpful. I love itBy Jude~4/5[More of my reviews are available on my blog, Geeky Reading, to which there's a link on my profile.]This is such a cute series. Its adorable, sweet, cute, hot. I love it. There was a lot of focus on Yuji and Kagami this volume, and they finally got their kind of happy ending, for the moment. I like them and all, theyre fun to watch, I liked seeing Yuji accept his feelings and Kagamis and how hes so embarrassed and defensive about it all. But theyre just not as good as Satoru and Tamiya to me. Thats probably only because I love them so much, but I really just want more of them. I want the volume to focus on them, all the time. I

just want more, okay? They did have some focus at the end, and aside from that, there was this really cute confession under a tree superstition that was just really funny. I like how both couples get along so well, their interactions are so funny. I really like this series, it just makes me smile. And it sucks that its going to be a while until the next volume comes out, possibly a long while since I dont think the next volume is even out in Japan, and I dont know when it will be. I hope soon. Until then, Im probably going to have to pick up another yaoi title, possibly from SuBLime, and there are several that have caught my eye, so it won't be hard to do that. 2 of 2 people found the following review helpful. Awkward Silence is amazing By Troy Kinney LOVE IT, THIS BOOK IS SO CUTE. I LOVE THIS SERIES!!!!

Too shy for love. Satoru Tono is too shy to speak to classmate Keigo Tamiya. Instead he fills his sketchbook with drawings of the boy he likes. But perhaps Keigo has noticed him too...? Yuji Sagara and Takahito Kagami have been on one date together, but Yuji isnt prepared to start a relationship with a guy who lives in a completely different world than he does. Takahito is being groomed to take his fathers elite place in politics, and now its rumored hell even go to university abroad Reads R to L (Japanese Style) for mature audiences.
