Johnny Ryan : Back In Bleck: Blecky Vol. 2 (Blecky Yuckerella) (v. 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Back In Bleck: Blecky Vol. 2 (Blecky Yuckerella) (v. 2):

I was laughing out loud when I saw this in the store, I liked it so much, I picked it up on the spot! This book is a collection of his weekly comic strip "Blecky Yuckerella." It contains 104 pages of this hilarious four-panel-one-page comic strip.He manages to put Blecky Yuckerella, into the most disgusting and ridiculous situations, and hilarity always follows!His illustrations go perfectly with the material, his cartoon characters are well drawn and the style of humor and illustration go together perfectly.I would say that this collection is NOT for the easily offended, the humor is crude, but hey that's comedy!0 of 0 people found the following review helpful. This is my kind of drek!By K. KaletkaJohnny Ryan's humor is crude, childish and ridiculously contrived. But he never

pretends it's anything else, so that's what makes it fresh. He does get clever from time to time, reminding you that he can. He could be one of the most brilliant satirists of our generation, etc. etc., but he doesn't want to be. He plays to his strength, which is jejune toilet humor. It's the kind of stuff you'd make up if you were thirty years old and were still trying to pass the fourth grade. And you somehow know who Noam Chomsky is. If this sounds like you, then you should read Johnny Ryan. And maybe you and I should hang out.

America's stupidest and smelliest second-grader is back! Sure, she's smelly and gross, but she's got a heart of gold! This is the second collection of Johnny Ryan's weekly comic strip, Blecky Yuckerella, as seen in the pages of Vice magazine and elsewhere. Blecky is a four-panel gag strip in the tradition of Underworld, Maakies, and Nancy, but with much more generous portions of bodily fluids and toilet humor. Blecky Yuckerella is the ugliest girl in the second grade, and the only one with three-day stubble. The strip's cast of characters also includes Blecky's Aunt Jiggles, her best friend Wedgie, Insanio the Cat, and many other absurdist goofballs, like Rich Bucksley (millionaire and "high class idiot"), Unitard (the last retarded unicorn), the pregnant babies ("we're guaranteed to blow your mind!"), and Quasimodo Rose (the hunchback porn star). Back In Bleck collects over 100 strips for the first time, and his unmistakable blend of politically incorrect gags and social satire is as sharp as ever. 100 pages of black-and-white comics
