A hidden gemBy Emmanuel ColinUnabashedly insane and unfiltered, but still holds a fairly good and meaningful story. Lou has become one of my favorite werewolf characters to date.0 of 0 people found the following review helpful. The Fall Guy

meets Fear and Loathing. By SpideyThe Fall Guy meets Fear and Loathing. Lou and Wendell are a pair of bounty hunters who always catch their target while living a life of hedonism. Lou is a werewolf who's pretty much indestructible, while Wendell is an ex-priest, current deviant. Diego Greco's artwork was a pleasant surprise. His artwork is quite detailed. Can't wait to see more from him.

The acclaimed writer of Deadpool returns to his dark comedy, anti-hero roots with BAD DOG, channeling a lifetime of bad behavior into two misfit bounty hunters incapable of catching a break, let alone a criminal. Lou is a werewolf who despises people so much that he refuses to shift back into human form. Wendell is a vertically-challenged, gutter-mouthed ex-preacher with a hair-trigger temper. Two glorious bastards drinking their way across the American Nightmare, hunting down the dregs of humanity...to find themselves. (That is, if by "find themselves," you mean drink, swear and generally make a mess of things.) Brought to you by beer-goggle visionary bon vivants JOE KELLY (Deadpool...yes, we're saying it again!) and DIEGO GRECO.
