Paul Tobin : Bandette Volume 3: The House of the Green Mask before purchasing it in order to gage whether or not it would be worth my time, and all praised Bandette Volume 3: The House of the Green Mask:

0 of 0 people found the following review helpful. A fun series!By FelineI love this series! Silly and serious, lovely artwork and a light, fun storyline. Maybe not for hard core superhero fans, but especially good for younger readers.0

of 0 people found the following review helpful. Another Great Chapter in this fun story (for all ages)By mwstretchBandette is the BEST!0 of 0 people found the following review helpful. Pitch PerfectBy TalviBandette 3: House of the Golden Mask continues Tobin's and Coover's wonderful tale of chocolate and larceny. What might have become a one-trick pony is instead saved by smart story choices and character growth. There are surprises/twists at the end but at its heart, this is really all about hoping Bandette will show up in every panel.Story: A legendary woman modeled for all the great artists in the impressionistic era - and hid all her treasures in 'the house of the green mask'. But where is this treasure now? Bandette has the clues but so do Monsieur and his lovely new accomplice Margot. When several people with ties to the Green Mask are kidnapped, including Bandette's precious Daniel, the mystery becomes personal. Using all her resources (and manhandling some pigeons in the process), the race to find the House of the Green Mask is on!I really love the mix of mod 1960s styles (think Austin Powers without the silliness) with an infectious exuberance. As well, the relationship of Bandette and delivery man Daniel is perfectly written - neither sappy nor overly earnest. There's even a great "Spiderman" inspired kiss in the middle with Bandette hanging upside down from her wire. This is truly a series that could have gone very wrong easily but somehow this bit of magical realism hits all the right notes for a grand adventure you don't want to end.Of the new characters in this volume, my favorite would have to be Quant-attired Dart Petite. Her deadpan singlemindedness contrasted with Bandette's squirrely casualness were a pleasure to read. I could see her in any number of fun 1960s spoof movie/series from Get Smart to Our Man Flint. I hope to see her again in future volumes.House of the Green Mask completes this story arc but sets up for future volumes with a new big bad in the form of The Voice. I greatly look forward to the next Bandette to see where her adventures go from here! Reviewed from an advance reader copy provided by the publisher.

Bandette, greatest thief in all the lands, uncovers the greatest of all mysteries! A clue to the location of the legendary House of the Green Mask! But the sinister Voice has set his sights on the same treasure, and sent a deadly assassin after the same secrets! Worse, he's stolen the dearest thing to Bandette's heart. Now, she's after revenge! (And also chocolate.) Eisner-Award winning Bandette returns to print! "Bandette is a treasure."--Comic Book Resources "I want to make something very clear: you have absolutely no excuse not to buy this."--Charles Meier, A Thief In The Broad Daylight Includes all new Urchin stories!

About the AuthorPaul Tobin is a New York Times-bestselling author. His writing includes Bandette; Colder; and many other comic books, graphic series and works of fiction. Bandette, drawn by Colleen Coover, was awarded the Eisner Award for Best Digital Series in 2013; again in 2016; and was a finalist for the Oregon Book Award for Graphic Literature in 2016. Paul's graphic novel I Was the Cat, created with artist Benjamin Dewey, was nominated for an Eisner in 2015.The Genius Factor: How to Capture an Invisible Cat, first in Paul's series of five novels for middle-grade readers, debuted in 2016 from Bloomsbury Kids in the USA, the UK, and worldwide. The second book in the series, How To Outsmart A Billion Robot Bees, came out March 2017.Colleen Coover is an Eisner Award-winning comic book artist based in Portland, Oregon. Her comics include the adult title Small Favors and the all-ages Banana Sunday. She has been published by Dark Horse, Top Shelf, Marvel, and many others. She works with her husband, writer Paul Tobin, on the Eisner-winning series Bandette.
