Kelley Puckett : BATGIRL VOL. 2: TO THE DEATH before purchasing it in order to gage whether or not it would be worth my time, and all praised BATGIRL VOL. 2: TO THE DEATH:

0 of 0 people found the following review helpful. I enjoyed it, but I can easily see others complain By Patrick Harden While still an outstanding read, not quite the creme of the crop I found in Volume One. But, make no mistake, this was still an engaging tale. It may be that me being new to the Bat Family of this era makes this an exceptionally

fitting book for me. Cassandra is introduced to a few characters while I'm also being introduced to them. One might say that the "lesson of the issue" format is a bit too "After School Special" but I found those to be interesting not in the lesson, but how Cassandra took in each experience. The art is still my style, though I'll admit some of the panels used some extreme perspective shots that felt a little silly at times. I enjoyed it, but I can easily see others complain. I'd love to read the third installment, but it is my understanding that it isn't available on Kindle for a while so I'll have to wait. 0 of 0 people found the following review helpful. Five Stars By Rachael*DangerLoved it. Would definitely recommend it! 0 of 0 people found the following review helpful. Second Part of a great story with a unique main character. By Gerald Pennabaker Excellent transfer to digital of one of DC Comics best comic series in years. Big Fan of the Cassandra Cain / Batgirl series. Unique character and an interesting story so I'm glad to finally see this in digital format.

Cassandra Cain is Batgirl: vigilante crime-fighter, protégé to both Batman and Barbara Gordon, and the ultimate martial arts master. Her near-superhuman fighting abilities are so much a part of her identity that when they failed her, she was willing to make an unthinkable bargain to get them back. Impressed by their first encounter, the unbeatable assassin Lady Shiva agreed to help restore Cassandras incredible skills. In return, exactly one year later, Lady Shiva would return to challenge Cassandra to a rematch. Only this time, it's to the death. Batgirl must confront her darkest demons in these classic adventures from writer Kelley Puckett (BATMAN ADVENTURES) and artists Damion Scott (ROBIN) and Robert Campanella (GREEN ARROW)! BATGIRL VOL. 2: TO THE DEATH collects BATGIRL #13-25.

About the Author Kelly Puckett is a comic book writer whose work includes LEGENDS OF THE DC UNIVERSE and BATMAN/BATGIRL, as well as the epic event storyline BATMAN: NO MAN'S LAND.
