it. This book is funny, mysterious, and witty as it focuses on a mystery from Dick Grayson's time as Robin coming to haunt the three former Robins. The art was excellent which makes the story easy to understand and comicology's guided view made it easy to read and understand the story without skipping ahead or reading the wrong panel first which is quite common if you are like me and are used to reading manga. Definitely would recommend to Batman fans it's a great read. 1 of 1 people found the following review helpful. Dynamic Duo By Michael I love Batman and the DC universe. Scott Snyder and James Tynion IV kick off an epic mystery in the sequel to their blockbuster hit *BATMAN ETERNAL*, joined by such comics all-stars as Tim Seeley, Genevieve Valentine, Tony S. Daniel, Paul Pelletier and more. Bruce Wayne may no longer be Batman, but his legacy lives on. When an assassin begins targeting all of Batman's past partners, the former Robins must join forces to untangle a mystery that stretches back to the early days of the Dark Knights career. Years ago, Batman encountered a human trafficker known as Mother. Then-Robin Dick Grayson knew nothing of it at the time, but the case was much more complex than he could have ever imagined. Now, without Bruce to guide them, a grown-up Grayson and his allies must rely on the help of the silent, mysterious Cassandra Cain to pick up the trail and stop Mother's deadly plans. But with Mother's army of sleeper agents all around, they can't trust anyone—even each other! Collects *BATMAN AND ROBIN ETERNAL* #1-13.
