Peter J. Tomasi : Batman and Robin Vol. 2: Pearl (The New 52) before purchasing it in order to gage whether or not it would be worth my time, and all praised Batman and Robin Vol. 2: Pearl (The New 52):

10 of 10 people found the following review helpful. Damian puts Robin to the test...By TookiePeter J. Tomasi shows us the back story of Damian Wayne becoming Robin with volume 2, Pearl. Damian was definitely not born into the Robin cowl. His mother Talia raised him as a true Al Guhl, training all year around. When Damians' birthday came around Talia would let him have the chance to meet his father, only after having won in a duel. Sure enough, that

birthday came and that boy became Robin. Damian takes on a Talon from the Court of Owls, assists his father Batman in a war involving Terminus, and takes on "zombies" as the hunt for Joker resurfaces. All while trying to prove to Nightwing, Red Robin, Red Hood, and Batman that he is the one and only Robin. This volume was just as great of a read as the previous volume. The story telling is superb and the illustration from Pat Gleason completes this epic modern classic of Batman Robin. I can't wait to read Death of the Family! I give Pearl 4.7/5 stars. 0 of 0 people found the following review helpful. Great focus on character growth By joshua burns While I prefer Batman working solo, this is better than I expected. It may be the title that has the strongest focus on character growth and development and I really appreciate that. 2 of 2 people found the following review helpful. A perfect addition next to Snyder's run By Customer Damn! I feel like this series and Snyder's Batman are the two necessary Bat-books of the new 52. At least Batman and Robin compliment Snyder's series very well.

Batman's son Robin must prove to his father-as well as his previous mantle-holders-that he's worthy of being the newest Boy Wonder. Damian Wayne, a.k.a. Robin, must prove to Batman, as well as the previous Boy Wonders that he's every bit the hero that his father is in the wake of the cataclysmic events of the best-selling BATMAN ROBIN VOLUME 1: BORN TO KILL.

"Powerful effects and sharp characterization." Publishers Weekly "Watching [Robin] struggle to reconcile his mother's cold-blooded anger with his father's compassion and nobility (and not a little outright arrogance from both sides of the family tree) has been one of the highlights of the comics reading experience in recent years." Maxim "This is the kind of Batman story I like to read: an actual mystery with an emotional hook." The Onion AV Club About the Author Peter J. Tomasi, a life-long New Yorker, is an NYU grad with degrees in political science and filmmaking. Peter has helped re-imagine many characters and books over the course of his extensive and exclusive career at DC Comics as a writer and editor. Peter's newest projects are BATMAN ROBIN and GREEN LANTERN CORPS, both a part of DC Comics--The New 52. His previous works include BRIGHTEST DAY GREEN LANTERN: EMERALD WARRIORS, BATMAN: BLACKEST KNIGHT, THE OUTSIDERS, NIGHTWING, PHANTOM STRANGER, BLACK ADAM THE DARK AGE and FINAL CRISIS: REQUIEM.
