When his son Damian is taken from him, Batman will stop at nothing to get him back...even venturing to the hellscape of Apokolips to take on Darkseid himself! But rescuing Robin and even snatching him back from death are only the beginning of Batmans problems. Robins resurrection has imbued him with incredible abilities! If Batman thought that Robin was difficult to control before, a super-powered Robin could be his greatest challenge yet! Whats a father to do but turn to his friends...especially when his friends are the Justice League? Writer PETER J. TOMASI (BATMAN: ARKHAM KNIGHT) and artist PATRICK GLEASON (GREEN LANTERN CORPS) are joined by fan-favorite guest artist ANDY KUBERT (DAMIAN: SON OF BATMAN) as Batman and son are finally reunited! Collecting BATMAN AND ROBIN #35-40, ROBIN RISES: ALPHA #1, and BATMAN AND ROBIN ANNUAL #3.
