Arkham Knight is even better than the original (spoiler). Arkham Knight is a masterpiece akin to the Dark Knight so you'd be crazy not to buy this.0 of 0 people found the following review helpful. Rehashed story againBy Jorge M.It's a rehashed story of the red hood (Jason Tod) robin again... we need something new0 of 0 people found the following review helpful. A good read, not sure if its cannon or not ...By Tony H.A good read, not sure if its cannon or not since the identity of the Arkham Knight (won't reveal it here) is someone who in other works is either dead or not a vigilante (maybe you can guess? ;D)But its a good read for anyone who wants to kill two hours and not spend time trying to track down the 6 individual single issues that come before any trade paperback.

There is a new hero in Gotham City. One with a much more lethal stance on crime and an uncompromising vision of justice. He is the Arkham Knight. And he stands in direct opposition to Gotham's Dark Knight protector. In this prequel graphic novel to the smash-hit video game phenomenon BATMAN: ARKHAM KNIGHT, learn more about the game's main villain (or hero?) with this definitive origin tale. Written by Peter J. Tomasi (BATMAN AND ROBIN), BATMAN: ARKHAM KNIGHT GENESIS is a must-have for any fan of the Rocksteady Arkham Trilogy's finale.Collects BATMAN: ARKHAM KNIGHT GENESIS #1-6.

"Tomasi is able to take advantage of the medium and deliver a tale that focuses more on humor and character drama without ignoring the brutal action the games are known for. There's enough meat to this story that it should appeal even to Bat-fans who don't care about this video game universe."--IGNPraise for Tomasi:"Tomasi seamlessly continues to amaze."--Newsarama"Peter J. Tomasi proves yet again that he is a master architect of tragedy."--IGN"Powerful."--Crave OnlineAbout the AuthorPETER J.
