A Fascinating Look at the Evolution of One of Batman's Best Baddies By claretoldmetochangemyscreenname The Batman Arkham series is an excellent one for any fans of Batman's classic rogues gallery. Here is captured some of the most iconic Two-Face stories from his inception in the 40's all the way to the recent New 52 "Forever Evil" storyline. While the collection may feature some comics that are

not the best by today's standards in writing and artwork (personally I find the comics from the 40's a bit rough to get through) it is still fascinating to see the original origins of such well known characters as Harvey Dent (Harvey Kent in his original appearance apparently). Thankfully, despite the fact that the comics from the 40's haven't exactly aged well, the rest of the collection features some solid Two-Face comics and is a must-have for Batman fanatics. 0 of 0 people found the following review helpful. Worth the price By Brett L. Great up until a point - the more modern stuff. If you like the stuff from the 90's and beyond as well as the Pre-Crisis stuff then you'll love it. I just enjoy have some of the early stories in one volume. 0 of 0 people found the following review helpful. Twisted Two Face tales By Frankie DA very good book that shows what kind of villain Two-Face is. A very dangerous crazy and twisted guy. How his crimes are always in 2s. Sometimes he helps people or destroys. Twisted sense of justice. Also shows he cannot be controlled plays by his own rules. Batman was friends with Harvey Dent and he is always trying to find the good in him. If you like Two-Face then invest in this book. A good read

An unprecedented anthology of the greatest Two-Face stories ever told. He was Harvey Dent, Gotham City's crusading district attorney and one of the Batmans closest allies, until an act of vengeance changed everything. With the left side of his face horribly deformed, Dents mind shattered. One half of his personality remained the law-abiding D.A., the other became a crazed, murderous villain who calls himself Two-Face! Scarring one side of his lucky two-headed silver dollar, the criminal allows the coin to choose his actions good or evil, there is nothing else. BATMAN ARKHAM: TWO-FACE collects work by some of the industry's greatest creators, including Peter Tomasi (BATMAN AND ROBIN), Curt Swan (SUPERMAN), Denny O'Neil (BATMAN), Bill Finger (DETECTIVE COMICS), Scott McDaniel (THE BRAVE AND THE BOLD), Guillem March (GOTHAM CITY SIRENS) and many more! Includes DETECTIVE COMICS #66, #68, #80, #513, #563, #564; BATMAN #234, #346, #397-98, #410, #411; BATMAN AND ROBIN #23.1; WORLDS FINEST #173; BATMAN TWO-FACE #1; JOKERS ASYLUM TWO-FACE #1; BATMAN CHRONICLES #8.
