Derek Fridolfs : Batman: Arkham Unhinged Vol. 3 before purchasing it in order to gage whether or not it would be worth my time, and all praised Batman: Arkham Unhinged Vol. 3:

0 of 0 people found the following review helpful. Nice stories, beautiful edition an a satisfying end for the Arkham story arc. By Mario Chacana The Arkham Unhinged story arc has served as a side companion and hole-filler for the stories told by the videogame saga, mainly including Arkham Asylum and Arkham City (since Arkham Origins serves

the same purposes, I see no need to fill blanks there). This third volume can be divided in two sections: first a group of stories regarding different characters and their vinculation with the events of the second game, and second (and the main event), the answer of the final destiny of the joker after the events of Arkham City. As for the first section, the histories felt much more interesting than the ones presented in the previous volumes. They are told as perfect tie ins and, as you read them, you feel that the game experience and the comic are MEANT to be experienced together. I love the way the "hangings" are presented, like: "is you want to know more about this story, play the videogame"....that encouraged me to play the game again (for the 5th time) in now the experience felt much more complete. For example, the scene of Blackmask's beating by Tygers at the beginning of the game made me much more sense after I read his story. Besides, the art department made the right decision to stay put to the designs in the game. As for the second section, regarding the fate of the Joker, I think is by far the best story presented in the Arkham Unhinged trilogy. For me, it gave a satisfying explanation and conclusion to the arc. This time the storytelling deviates from the style of previous stories and feeds up on the art style showed in the legendary comic "Arkham Asylum". This makes perfect sense, as the story is centered on the Joker figure and the madness surrounding him, which also adds a darker tone for the Arkham series. I will not tell you more, just read it. This is a very good purchase for any bat-fan and a MUST for the ones who played and enjoyed Arkham City. 0 of 0 people found the following review helpful. Five Stars By Joe G Excellent 0 of 0 people found the following review helpful. Five Stars By Joe G Cool

In these stories originally available only online and tying into the bestselling video game BATMAN: ARKHAM CITY, Dr. Hugo Strange has gained control of Arkham Asylum and is determined to keep the city's criminal element behind bars. Gotham City in turn has been transformed into a massive prison, run by a madman and ruled by the criminal element. BATMAN: ARKHAM UNHINGED VOLUME 3: END GAME features an all star cast of Gotham's super-villains, gathered together for the trial of the century starring The Joker as the defendant. With Two-Face serving as both prosecutor and judge, The Joker doesn't stand a chance in this kangaroo court, but will The Joker have to rely on his biggest foe, Batman, to save him from "justice?" Collects BATMAN: ARKHAM UNHINGED 11-15 and BATMAN: ARKHAM UNHINGED END GAME #1. From the Hardcover edition.

About the Author Derek Fridolfs broke into comics at the same time as Dustin Nguyen, and has collaborated with him on such titles as GEN ACTIVE, JET, THE AUTHORITY, SUPERMAN/BATMAN and now DETECTIVE COMICS. In addition, he has contributed work to a wide variety of other titles, including Wolverine, Spider-Man, The Fantastic Four, Kiss, Buffy the Vampire Slayer, Emily the Strange and Teenage Mutant Ninja Turtles, as well as writing stories for Western Tales of Terror, Trailer Park of Terror, the Comic Book Legal Defense Fund's More Fund anthology and an upcoming volume of the Image anthology title Popgun. Fridolfs has also worked with the Fresno County and Kern County libraries, teaching seminars on comics for fans of all ages. He lives in Fresno, California.
