Good....But...By Customer I liked the artwork and the story. The problem is that sometimes I don't "feel" that Terry is Batman. I'm looking for more depth to Terry. More dimensions to his personality. His character development is somewhat lacking I feel. I could be wrong, but Terry has lost a lot. Those losses affect him. He shouldn't be somewhat untouched by them. I don't like the fact that Max and his brother know he's Batman. Now his girlfriend knows as well. I want more stoicism from him, and secrecy. He isn't Bruce. I get that. However, the very nature of his work makes a person more stoic and cynical. How do those two things manifest in Terry? I'll keep getting the comic itself to see how Terry gets developed because I do enjoy it.

Writer Dan Jurgens (ACTION COMICS), artist Bernard Chang (GREEN LANTERN CORPS) and colorist Marcelo Maiolo (GREEN LANTERN CORPS) bring Terry McGinnis Batman back to the future in BATMAN BEYOND VOLUME 1: ESCAPING THE GRAVE as a part of DC Rebirth! As the future Gotham City recovers from global catastrophe, a familiar face is ready to wear the cowl of the Batman once again. Terry McGinnis has returned to defend his city as Batman, and his family and friends couldn't be happier. But another resurrection threatens to destroy all Terry holds dear. Rumors are spreading like wildfire that the original Joker lives and the brutal crime lord called Terminal and his sadistic gang of Jokerz are waging war in the streets to prepare for the Clown Prince's second coming. Just days after becoming Batman again, Terry must take up the fight against the greatest foe he's ever faced. When the dust clears, will the joke be on him? Collects BATMAN BEYOND: REBIRTH #1 and BATMAN BEYOND #1-5 in this great new jumping-on-point graphic novel!
