**Ed Brubaker : Batman By Ed Brubaker Vol. 2** before purchasing it in order to gage whether or not it would be worth my time, and all praised Batman By Ed Brubaker Vol. 2:

BRUCE WAYNE IS A WANTED MAN. Vesper Fairchild, former girlfriend of Bruce Wayne, has been found shot to

death in Wayne Manor. Bruce the police's prime suspect is immediately taken into custody, awaiting trial for murder. But how can Batman prove his alter ego's innocence if he's stuck behind bars? As the case unfolds, Bruce Wayne's life and reputation in Gotham are all but destroyed. Batman is left with a choice: cling to his now-shattered civilian life as Bruce Wayne? Or abandon that name completely and embrace his other identity, living solely as Gotham's Dark Knight? Award-winning writer Ed Brubaker (GOTHAM CENTRAL, SLEEPER), along with artists Scott McDaniel (NIGHTWING) and Andy Owens (GREEN ARROW), make the Caped Crusader into Gotham's most wanted fugitive! Collects BATMAN #598-607.
