Greg Rucka : Batman: Death the Maidens Deluxe Edition (Batman: Death and the Maidens) before purchasing it in order to gage whether or not it would be worth my time, and all praised Batman: Death the Maidens Deluxe Edition (Batman: Death and the Maidens):

0 of 0 people found the following review helpful. Great story about a daughter of the Demon. By AndrewI really

enjoyed this story. I saw it had Greg Rucka as writer and I like his work. This story even though the hook is Batman being able to see his dead parents, I think the real hook is seeing the life of Nysaa Al Ghul. Seeing the horrors and suffering she had in her long life with the demon and what she does about it in the end is an amazing story. Art work is a little weird but story is solid. People who don't know comics would know Nysaa from CW show Arrow which the comic makes Nysaa a way better character than the show. I recommend the book now and be surprised by this story.

From award-winning author Greg Rucka (BATWOMAN, WONDER WOMAN) and comics legend Klaus Janson (BATMAN: THE DARK KNIGHT RETURNS, Daredevil), BATMAN: DEATH AND THE MAIDENS: THE DELUXE EDITION tells the gripping story of the final days of Ras al Ghul. Ras al Ghul has lived for hundreds of years, but he is not immortal. Without access to his life-giving Lazarus Pit, death will come to the Demons Head just as it would anyone else. Ras knows his days are numbered, but his life's work is far from complete. Time and again the Dark Knight has thwarted him, but now, in his final days, Ras must turn to the Batman for help. In exchange for his aid, Ras offers Batman the opportunity of a lifetime: the chance to speak with his dead parents. But the reunion is not what Batman imagined, and what Martha and Thomas Wayne have to say to their son will profoundly change both the man and the hero. This volume includes the complete nine-issue miniseries and prologue story as well as behind-the-scenes sketches and commentary.

About the Author Greg Rucka is a comic book writer and novelist, best known for his extensive work at DC Comics, as well as his creator-owned series. His best known projects include 52 (cowritten with Geoff Johns, Grant Morrison and Mark Waid), BATMAN: NO MAN'S LAND, GOTHAM CENTRAL, BATWOMAN: ELEGY and WONDER WOMAN.
