Grant Morrison : Batman Incorporated Vol. 1: Demon Star (The New 52) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Batman Incorporated Vol. 1: Demon Star (The New 52):

1 of 1 people found the following review helpful. The Penultimate Chapter to Grant Morrison's Batman Opus! By wildweasel77 This hardcover collection is the penultimate book of Grant Morrison's seven year Batman run from 2006 till 2013. While, agreeably, it may be difficult for new readers to get into, this collection is part of the bigger whole of Morrison's entire Batman run, and contains a great payoff to long-time Batman readers. Morrison once said that 'It all

makes sense in the end', and this is rightly so. The chapters in this collection pay homage to several (albeit still significant) events in the Batman mythos. Though it clarifies that the events collected herein occurred before 'The New 52' DCU reboot, it blends well with the themes and direction of The New 52. Here we see Damian (Al Ghul) Wayne, the New Robin and Bruce Wayne's (Batman's) biological son from Talia Al Ghul, is being targeted by a wide variety of assassins as her deranged mother has placed a considerable bounty on his head. Batman, being the strict and stoic father that he is, places Damian under close watch. But with Damian being the perseverant Wayne that he is, readers know that things will always spiral out of control. And as revelations after revelations are unravelled, readers are shown why Batman is giving Damian the 'cold treatment' because of a dark future that may or may not happen because of his actions. Also, a single chapter ('The Eye of the Gorgon') reveals Talia's twisted past, and what her underlying motivations are. Add the ensemble of International Batmen that The Dark Knight has assembled to counter the evils of 'Leviathan' and this book knocks the ball out of the park. With amazing art and gripping story, this collection is definitely worth it! Can't wait for the conclusion of this epic (Batman Incorporated Vol. 2: Gotham's Most Wanted (The New 52)) Recommendation: Buy! 0 of 0 people found the following review helpful. Four Stars By David BWeird but fun batman tale! 1 of 2 people found the following review helpful. Good but Complex By Bobby Sprinkles This book feels like a single chapter of a bigger more complex story that Grant Morrison has painstakingly calculated. Batman Inc., Batman Inc. Vol. 1, and Batman Inc. Vol. 2 are all just small pieces to Morrison's mind bending Batman run. Batman Inc. was before the New 52 reboot so when the reboot happened, the story-line continued with the new re-issued book numbers. That's why the second volume is actually referred to as "volume 1", but it's actually second volume of three. Weird, I know. The story is good. I like the dynamics between Bruce Wayne and his son Damian as the new Robin. (You can read up on Damian's backstory in Batman and Son, also good. And if you really want to go deep, you can read Birth of the Demon by Mike Barr). As far as the Batman Inc., stories go, the time line is a bit weird with these books. All you need to know is that Batman Inc. and Batman Inc. Vol. 1 happen before Scott Snyder's Batman Vol. 1 Court of Owls. And Batman Inc. Vol. 2 happens right after Scott Snyder's Batman Vol. 3: Death Of the Family. Got that? Good luck!

Amazon Best Book of the Month selection! Eisner Award-winning fan-favorite writer Grant Morrison concludes the Batman epic he began nearly a decade ago in BATMAN SON, pitting the entirety of Batman Incorporated against the Leviathan organization headed by the Dark Knight's former romantic interest Talia al Ghul. As Leviathan enacts a plan that threatens the world, Batman and his allies must fight against the rising storm--but not everyone will make it out of the encounter alive. Collects BATMAN INCORPORATED #0-6 From the Hardcover edition.

"The sheer amount of energy on every page can't be denied." IGN "There's so much packed into this first issue, it almost feels like a gauntlet being thrown, reminding us how to kick off a new series." ComicBookResources.com From the Hardcover edition. About the Author Writer Grant Morrison is known for his innovative work on comics from the graphic novel ARKHAM ASYLUM to acclaimed runs on ANIMAL MAN and DOOM PATROL, as well as his subversive creator owned titles such as THE INVISIBLES, SEAGUY, JOE THE BARBARIAN and WE3. He has also written best-selling runs on JLA, SEVEN SOLDIERS OF VICTORY and New X-Men and recently helped to reinvent the DC Universe in ALL-STAR SUPERMAN, 52, BATMAN and JOE THE BARBARIAN. He is currently writing both SUPERMAN: ACTION COMICS and BATMAN, INCORPORATED as a part of DC COMICS--THE NEW 52.
