Chuck Dixon, Devin Grayson, Greg Rucka, Larry Hama : Batman: No Man's Land, Vol. 4 before purchasing it in order to gage whether or not it would be worth my time, and all praised Batman: No Man's Land, Vol. 4:

2 of 2 people found the following review helpful. Great Conclusion to an Awesome Storyline By R. Hoch Not sure if I'm supposed to review the actual storyline or this version of the collection. The storyline is fantastic, though I think the Joker part could have used a little more fleshing out and I would have liked to see [SPOILERS] more into the Lex Luthor plot to buy into Gotham [END SPOILERS]. However, it's a worthy conclusion to one of the best Batman

storylines. Great cast of characters, and new beginnings and sad endings for many. As for this collection, it is great for what it includes. I would just nitpick on the ordering. The comics aren't ordered chronologically when they come out. They are ordered by particular storylines. Sometimes this leads to reading something that doesn't make sense unless you have read a comic from another storyline first. However, it does make it easier to focus and follow each arc. So there are pro's and con's it. Either way, it's still a very good collection. 2 of 2 people found the following review helpful. Fantastic conclusion to an epic arc. By Sean Maguire Simply fantastic. The tie-ins and everything flowed perfectly. No Man's Land is an underrated arc in the eyes of the public in my opinion. Yes, Hush is great, so is Knightfall, or Long Halloween, or Dark Victory, but so is No Man's Land. Perhaps the fact that it had so many crossovers/ artists/writers is held against it since it is easier to sell something on a single writer/artist's reputation. None the less, NML was a fantastic arc that had everything a Batman Universe fan could want. 1 of 1 people found the following review helpful. great end to a great story By alithis a great end to this book. wasn't really sure how they were going to end this and wrap all the story's happening but they did it its a great buy

After suffering a cataclysmic earthquake, the U.S. government has deemed Gotham City uninhabitable and ordered all citizens to leave. It is now months later and those that have refused to vacate "No Man's Land" live amid a citywide turf war in which the strongest prey on the weak. Batman and his allies continue their fight to save Gotham during its darkest hour. In this final volume, Lex Luthor swoops in to help rebuild Gotham City - but his secret plan is to secure the ownership of much of the city's real estate! In the chaos of the waning days of the city's crisis, The Joker strikes, kidnapping a number of infants and killing members of the Gotham City Police Department.

About the Author Greg Rucka is a novelist whose work on Batman brought fresh attention to the character and to the inhabitants of Gotham City. He won the Eisner Award for Best Story with GOTHAM CENTRAL's "Half a Life." His other DC credits include ACTION COMICS, ADVENTURES OF SUPERMAN, WONDER WOMAN, the new Batwoman adventures in DETECTIVE COMICS and SUPERMAN: WORLD OF NEW KRYPTON. He was one of the co-writers of DC's weekly series 52. As a novelist, Rucka has nearly a dozen books to his credit, including the recent Walking Dead (Bantam). His graphic novel series Whiteout is the inspiration for the September 2009 movie of the same name.
