fantastic look comic as a long standing team. You can only expect quality from this book if you know Jim Lee's work and Scott Williams Inks. The Story is one of the best Batman stories I've read and although I focus mainly on the Art being an Artist myself. The whole experience is immersive in every way if you love seeing the pages in black and white. 0 of 0 people found the following review helpful. very happy with the packaging and value for the money By Jannie B this was a gift for my son. he was extremely please with it. so was I. very happy with the packaging and value for the money 0 of 0 people found the following review helpful. Five Stars By ronawesome drawing by Jim Lee. it is a master piece and love every page of it.

The colors are drained and the shadows come alive in this stark take on a dark classic! Presented in its original pencils and ink artwork by industry legend Jim Lee, **BATMAN NOIR: HUSH** highlights the grim, gritty atmosphere of Batman and Gotham City, and pits the Dark Knight against a city overrun with its legendary villains. As the likes of the Joker, Killer Croc, Poison Ivy and more throw Batmans life into chaos, little do they know they have become pawns to the enigmatic Hush in an elaborate game of revenge against Bruce Wayne. This truly unforgettable story by two of comics top talents, writer Jeph Loeb (**BATMAN: THE LONG HALLOWEEN**, **SUPERMAN/BATMAN**) and artist Jim Lee (**JUSTICE LEAGUE: ORIGINS**, **SUPERMAN UNCHAINED**), presents the Caped Crusaders most personal case yet in stark black and white! Collects **BATMAN #609-619** in black and white.
