**Scott Snyder, James Tynion IV : Batman Robin Eternal Volume 2** before purchasing it in order to gage whether or not it would be worth my time, and all praised Batman Robin Eternal Volume 2:

3 of 3 people found the following review helpful. Probably the best thing to come out of the "New 52" rebootBy Elisa DiehlIn general, I'm not a big fan of the new 52 reboot of the DC universe. On the other hand, it produced this really interesting investigation of the iffy morality and general maladjustment and emotional fallout caused by the "child soldier" issue of the multiple underage vigilantes in the Batman family of comic books. The scripting for this story is

excellent, in that it makes clear the broad range of personalities represented by the 4 Robins, Bluebird, Spoiler, and Black Bat (who isn't named as such in this particular story for some reason), and aside from that the art is really gorgeous. I think this may very well be the best thing to come out of the new 52 reboot. 8 of 9 people found the following review helpful. Don't listen to the negative reviews. There is so much to love in this story. By Domdizzle33

First off, I would like to say that this is mostly for people who either A) bought vol 1 and want to finish the story, and B) fans of not only Batman, but also the "legacy" that he has left behind him. More on that later. This is the second half of the weekly 26 week story revolving around The former robins, and deals heavily around The Spoiler, Cassandra Cain (batgirl) and Harper Row (bluebird) the main thing I have to say about this story is that it more effectively does what "batman eternal" and "Robin war" we're trying to accomplish. In batman eternal, the story was over 50 issues long, and there were so many times where the story was abysmal because of filler and boring events that made it feel like such a cash grab, and with Robin war, by the end of that story there is almost nothing important that happens, leaving you to feel like you could have went without reading it. Batman and robin eternal not only tells a captivating story, but with important enough events that justify your time and money put into this story. I can whole heartedly recommend this to ANY fan of not only Azrael (very important character in the 90s when knight fall was going on) but also Cassandra Cain (new batgirl up until 2011) and they in my opinion are the highlights of this story because of the justice they are given as comic book characters. We haven't seen them since in the new earth, so it's nice that they got some recognition before rebirth. Hopefully we see them more, but this is also a solid story for the robins as well, each of Batmans pupils gets justice at some point in the story, so I can say a fan of any of them will be pleased. I can say this especially as a Red Hood fan who longs for the day that Jason Todd will finally get a good/solo ongoing series. Now with that said, the art can be inconsistent seeing as how there are more than one of them, and the "big plot twist" shown in this second half can be pretty obvious that "there's more than meets the eye" with the situation, but I rather not give spoilers. Again This book is **MORE THAN WORTH YOUR TIME AND MONEY** if you Like ANY robin Like Scott Snyders "bluebird" Like the old ninja looking batgirl Like Azrael Like batman stories that don't have batman as the main focus 0 of 0 people found the following review helpful. 5 stars By Teddy

Great conclusion to the series.. with an all-star cast involving the extended Bat family.. reminiscent of the "Battle for the Cowl" and "Return of Bruce Wayne" days in scope and back story.. definitely a must-read!

An all-star creative team continues this mystery-packed weekly hit, featuring writers including James Tynion IV, Scott Snyder, and Tim Seeley and artists Tony S. Daniel, Paul Pelletier, Christian Duce, Andrea Mutti, Fernando Blanco, Scot Eaton and more. Collects **BATMAN AND ROBIN ETERNAL #13-26**. Beware of Mother. She deals in custom-created humans, taking children who've lived through unspeakable tragedies and turning them into weapons or worse. And when Batman couldn't stop her, what happened instead became his greatest shame and his greatest secret. Now, Batman is gone. But the heroes who carry on his legacy Dick Grayson, Red Hood, Red Robin, Bluebird and Cassandra Cain find Mother's fingers tightening around their throats. While Red Hood and Red Robin attempt to extract the secret of Mother's newest weapon from the Order of St. Dumas and its avenger, the deadly Azrael, Dick and Bluebird set out to rescue Cassandra from her father, the assassin Orphan.

truly awesome. Comic Vine it's hard not to feel excited when you see a book that looks and reads as good as **BATMAN AND ROBIN ETERNAL**. Newsarama the book establishes itself as the one place to see the best parts of the Bat Universe interact with one another. Comic Book Resources About the Author Scott Snyder is a #1 New York Times best-selling writer and one of the most critically acclaimed scribes in all of comics. His works include Batman, Batman Eternal, Superman Unchained, American Vampire and Swamp Thing. He has also been published in Zoetrope, Tin House, One-Story, Epoch, Small Spiral Notebook, and other journals, and has a short story collection, Voodoo Heart, which was published by Dial Press. He teaches at Columbia University and Sarah Lawrence University and lives in New York with his wife, Jeanie, and his son, Jack Presley.
