2 of 2 people found the following review helpful. Great Stories, Great Artwork By Bob Warshawsky Great Stories, Great Artwork ; better than any comic book published today. I sure hope DC reprints Superboy and Superman stories from my comic book reading days of the early-mid 1960's--Great Memories! 0 of 0 people found the following review helpful. Five Stars By Marshall Gardner great product!!!! great service!!!!!! 0 of 0 people found the following review

helpful. Five StarsBy christopher bassexcellent..... great reprint

They had been fighting crime separately for years but it wasn't until the historic SUPERMAN #76 in 1952 that Superman, the Man of Steel, finally teamed up with the Caped Crusader himself Batman. That story proved so popular that the team quickly became the main feature in WORLDS FINEST COMICS and thus the greatest partnership in comics was born. Their adventures together would feature heroes and villains such as Robin, Batwoman, Lex Luthor, Bat-Mite and Mr. Mxyzptlk, as well as more alien threats than might seem possible. BATMAN SUPERMAN: THE WORLDS FINEST THE SILVER AGE VOLUME ONE collects the classic story of the two heroes first meeting from SUPERMAN #76 and their super team-ups from WORLDS FINEST #71-94.

About the Author Edmond Hamilton came to comics from science fiction pulp magazines, for which he was the creator of grand space operas such as "The Star Kings" and classic short stories like the introspective "What's It Like Out There?" He created Captain Future for pulp editor Mort Weisinger in 1939 and, upon moving to DC Comics in 1941, Weisinger offered Hamilton work on comics scripts. Hamilton quickly became a major Superman writer. In addition, he wrote Tommy Tomorrow features for ACTION COMICS and classic stories for DC editor Julius Schwartz's science fiction comics. In 1952, Hamilton teamed Superman and Batman in "The Mightiest Team in the World" (SUPERMAN #76), a story he conceived as a minor one-shot adventure. Editor Jack Schiff soon made the Superman-Batman team a regular feature in WORLD'S FINEST, where Hamilton wrote the majority of stories until 1966. In other Batman, Superman, and Legion of Super-Heroes stories, Hamilton introduced such memorable characters as Batwoman, the Composite Superman, Element Lad, and Dream Girl.
