Gregg Hurwitz : Batman - The Dark Knight Vol. 3: Mad (The New 52) before purchasing it in order to gage whether or not it would be worth my time, and all praised Batman - The Dark Knight Vol. 3: Mad (The New 52):

0 of 0 people found the following review helpful. Batman vs The Mad Hatter By Richard J. Estep Hurwitz's run on The Dark Knight continues to go from strength to strength. These collected issues focus on The Mad Hatter who. It's refreshing to see a villain whose motivation is less about taking over or destroying Gotham and is instead a little more

personal in nature. Without spoiling things, there's a healthy dollop of pathos and tragedy to balance out the action. It is bookended with a single-shot story that brings together The Mad Hatter, Penguin, and Scarecrow on Halloween night -- it's not exactly groundbreaking, but it is a lot of fun. This one will leave you wanting more, and is well worth picking up. 0 of 0 people found the following review helpful. So-so By T Stafford This is supposed to be the more mature new 52 Batman title, delving into the twisted psychology of Batman's foes. This book seems to be mostly filler. It's not terrible but after putting it down it is hard to recall anything about it. 0 of 0 people found the following review helpful. Four Stars By David B Good read!

Everything hangs in the balance in the Dark Knights life as Bruce Wayne grapples with revealing Batman to the woman of his dreams. But just as he's ready to give her his all, the Mad Hatter joins the ranks of one of the greatest threats Gotham has ever known. By poisoning and kidnapping its citizens, he terrorizes Gotham in an attempt to rebuild his lost hopes into a wonderland. Can the Caped Crusader save the city-and his new love-before the Hatter shatters their world forever? Acclaimed writer Gregg Hurwitz (Survivor) teams up with superstar artist Ethan Van Sciver (GREEN LANTERN: REBIRTH) and breakout talent Szymon Kudranski (Spawn) for BATMAN - THE DARK KNIGHT: MAD (collects issues #16-21 and BATMAN: THE DARK KNIGHT ANNUAL #1). From the Hardcover edition.

"Ethan Van Sciver's collaboration with Gregg Hurwitz is yet another fine Batman offering." CBR About the Author Gregg Hurwitz is the New York Times bestselling author of 12 thrillers, most recently, The Survivor (8/12). His novels have been shortlisted for numerous literary awards, graced top ten lists, and have been translated into 22 languages. He has also written comics for Marvel (Wolverine, Punisher) and DC (Batman, Penguin) and produced and written screenplays for film and television (ABC's "V", "Expulsion" spec script to Warner Bros, and many more). He recently announced that he will be developing his Tim Racle books for TNT/Sony. Gregg resides in Los Angeles.
