**Mike W. Barr : Batman the Outsiders Vol. 1** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Batman the Outsiders Vol. 1:

10 of 10 people found the following review helpful. Great Batman Team Book from the 1980s By Bernard M Affinito Excellent Jim Aparo art coupled with equally well written stories by Mike W Barr of Batman and his team of "outsiders". Team members all have distinct, consistent personalities and story-arcs over the life of this series. The paper-stock is matte white with a "newspaper" like look and feel more consistent with the original printing in the

80s...it looks very good, no complaints from me. Looking forward to Volume 2! 13 of 14 people found the following review helpful. Good Collection. By Girard T. McKinney Good stories. I wish they added World's Finest 300 when Superman and Batman make up and the outsiders team up with the JLA. Also the paper quality is not as good as Legends of the Dark Knight Jim Aparo, Norm Breyfogle, Don Newton and Gene Colon collections. 3 of 3 people found the following review helpful. At Last: An Edition of "Batman and the Outsiders" that Showcases Jim Aparo's Great Art By CWC Mike Barr was always a stand-out writer. His Batman Year Two is under-rated. But couple his writing with the great Jim Aparo, and witness Batman on a team with Metamorpho and Black Lightning as his equals - too rarely do we see the caped crusader grant anyone as much respect - while bringing up the new heroes, and you have 80s comic magic, penciled by my favorite figure-drawer, bar none.

For years, the Batman has waged war on crime. Whether patrolling the streets of Gotham City or battling evil worldwide with the Justice League, he will face any foe, no matter the cost. But wars have a way of spreading. And when a deadly conflict abroad hits close to home, the Dark Knight must abandon his old allies and form a new force for justice: a team of heroes who aren't afraid to operate outside the rules. Katana. Black Lightning. Metamorpho. Geo-Force. Halo. Some are experienced combatants who've been driven to the fringes of the metahuman community. Others are new to their powers and the danger that comes with them. But together, under the shadow of the Bat, they will redefine what it means to be a superhero team. From comics legends Mike W. Barr (BATMAN: SON OF THE DEMON) and Jim Aparo (BATMAN: A DEATH IN THE FAMILY) comes BATMAN AND THE OUTSIDERS VOL. 1. Guest-starring the New Teen Titans, it's the start of the classic saga that takes the Dark Knight outside all expectations! BATMAN AND THE OUTSIDERS VOL. 1 collects THE BRAVE AND THE BOLD #200, BATMAN AND THE OUTSIDERS #1-13, and NEW TEEN TITANS #37.
