Tom King : Batman Vol. 1: I Am Gotham (Rebirth) before purchasing it in order to gage whether or not it would be worth my time, and all praised Batman Vol. 1: I Am Gotham (Rebirth):

1 of 1 people found the following review helpful. Great read!By Lateef MurdockI've been away from comics for decades. I heard so much about 'Rebirth' I decided now would be a good time to dive back in. This was a perfect re-introduction to the world of DC superheroes.My only complaint was certain things would happen off page that I would've liked to have seen happen. Sometimes, I get the feelling that there is quite a bit more meat on that bone if the

artists and writer would just let us see it. But, nevertheless, a great book.0 of 0 people found the following review helpful. Tom King is a fantastic writer and did wonders with the VisionBy JoeyThe Batman rebirth series is off to a really strong start here in my opinion. Tom King is a fantastic writer and did wonders with the Vision. Here he takes a more psychological take on the Batman and I really enjoyed it. It's not what the typical reader may be used to when reading Batman, but is very well written nonetheless. The Gotham twins are a very interesting addition and great foils to the Batman. Also, there were even some parts where I laughed out loud reading this. A strong start to the Batmans rebirth.0 of 0 people found the following review helpful. Five StarsBy Customeramazing/awesome/sensational/spectacular

A new era for the Dark Knight begins here in **BATMAN VOL. 1: I AM GOTHAM**, part of the most critically acclaimed, best-selling, all-new line of volume one graphic novels, DC Universe Rebirth! He is Gotham City's hero, its Dark Knight, its greatest protector. He is Batman. And he is not alone. There are two new heroes in town a pair of masked metahumans with the powers of Superman and a devotion to preserving all that is good about this twisted city. Calling themselves Gotham and Gotham Girl, they've saved Batman's life, fought by his side and learned from his example. But what happens if Gotham's new guardians go bad? What if they blame the Dark Knight for the darkness that threatens to drown their city? When sinister forces are unleashed that can warp the minds of men and make heroes into monsters, the time will come for Batman and his allies to decide once and for all: Is Gotham a force for good or an engine of evil? From the blockbuster DC Universe Rebirth event comes **BATMAN VOL. 1: I AM GOTHAM** the beginning of an all-new saga in the life of the Dark Knight from superstars Tom King (**GRAYSON**) and David Finch (**WONDER WOMAN**), featuring an all-star cast of creators such as Scott Snyder (**BATMAN: THE COURT OF OWLS**), Ivan Reis (**JUSTICE LEAGUE**) and Mikel Jann (**JUSTICE LEAGUE DARK**)! This great starting-point graphic novel collects **BATMAN: REBIRTH #1** and **BATMAN #1-6**.

Snyder indelibly defined the Dark Knight's previous era, but King proves a worthy successor as he takes over the title for DC's wildly popular Rebirth initiative. **BOOKLIST**[Tom King] crafts an incredible story. **NERDIST** A clean, simple gateway into the Batman franchise **IGN** King sets a new stage and tone for Batman and Gotham. **POPMATTERS** Sank its hooks into me and kept me thinking about it long after I had finished reading. **NEWSARAMA** About the Author Tom King is a comic book writer and novelist, best known for his work at DC Comics including **GRAYSON** and **OMEGA MEN**. He often relies on his experience as an ex-CIA agent and experiences during the recent conflicts in the Middle East in his writing, especially apparent in **GRAYSON** (alongside co-writer Tim Seeley), **OMEGA MEN** and in **SHERIFF OF BABYLON**, published under the Vertigo imprint.
