Scott Snyder : Batman Vol. 8: Superheavy (The New 52) before purchasing it in order to gage whether or not it would be worth my time, and all praised Batman Vol. 8: Superheavy (The New 52):

0 of 0 people found the following review helpful. All change in Gotham City By Richard J. Estep In the aftermath of "Endgame," we have a Gotham City still licking its wounds and attempting to recover from the virus unleashed by The Joker. With Bruce Wayne missing and presumed dead, the mantle of the Batman has passed on to an unlikely recipient: Commissioner Jim Gordon. Much of this volume covers Gordon's attempts to fill some very big bat-boots,

often with only limited success. Throw in the rise of a new villain and some intriguing new twists in Bruce Wayne's story and you have a fascinating (if very non-traditional) Batman story that should culminate in Volume 9. I was kept entertained enough that Volume 9 is my next stop. 0 of 0 people found the following review helpful. GreatBy Chris MaidaLoved it. I half way expected not to love this volume with Gordon taking on the role of Batman, and the ridiculous Batsuit. I should of kept my faith in Snyder, as I loved this volume as I have all the previous ones. 0 of 0 people found the following review helpful. Go away BatbotBy RandomEncounterMan, I just can't get into this Gordan-in-a-Bat-Bot arc. Trudged through it myself after liking most of the other Volumes quite a bit.

COMMISSIONER GORDON IS THE NEW BATMAN! Following the disappearance and presumed death of Batman, former police commissioner Jim Gordon has been called to carry on the Dark Knights legacy and become the Dark Knights successor. But while the name and what it stands for remain the same, this new Batman is far from just a copy of the original. Patrolling the city in a gargantuan high-tech Bat-suit, Gordon is no shadowy vigilante. He has the full cooperation of the G.C.P.D. and the Mayor, plus a multi-million dollar budget from Powers International. But will an expensive suit be enough to stop the mysterious, weed-like Mr. Bloom before his deadly plans for the city take root? The #1 New York Times all-star creative team of Scott Snyder, Greg Capullo and Danny Miki introduce an all-new Dark Knight in **BATMAN VOL. 8: SUPERHEAVY**, with guest appearances from Brian Azzarello (**WONDER WOMAN**) and Jock (**BATMAN: THE BLACK MIRROR**). Collects **BATMAN #41-45** and **DC SNEAK PEAK: BATMAN #1**.

a great jumping on point for anyone looking to get into what I hope will continue to be a long and continuing run on this title from one of the best creative teams its ever had. Nerdist This is the Snyder and Capullo show. This is the work of two men at the top of their games. They have never been more confident in their storytelling. New York Post Batmans new direction gets off to a great start with some strong characterization and inventive art. IGN Scott Snyder has reinvented Batman, deepening and humanizing the Dark Knights myth like no one since Frank Miller in the 1980s. The New York Times About the Author Scott Snyder has written comics for both DC and Marvel, including the best-selling series **AMERICAN VAMPIRE**, **BATMAN**, **SWAMP THING** and **SUPERMAN UNCHAINED**. He is also the author of the story collection **Voodoo Heart** (Dial Press). He teaches writing at Sarah Lawrence College, NYU and Columbia University. He lives on Long Island with his wife Jeanie and his sons Jack and Emmett. He is a dedicated and un-ironic fan of Elvis Presley.
