Mark Cotta Vaz : Batmobile: The Complete History before purchasing it in order to gage whether or not it would be worth my time, and all praised Batmobile: The Complete History:

22 of 24 people found the following review helpful. Great book but not graphic detailsBy Melvin FestoonIf you were looking for complete and graphic details of Batmobiles then this isn't for you. But, if you were looking for an overview of the Batmobile myth and legend then this book is a great start. It does mostly feature details of the Tumbler, Christopher Nolan's realistic take on the Batmobile for his trilogy. I wasn't disappointed when it skipped over the Batmobile of the 60s because that has been done and this book is timed to be released with The Dark Knight Rises. Having gotten the Art of Batman Begins book and seeing some detail there, this was a little more detail and telling of the making of the Tumbler. If you have a collection of Batmobiles and want to add this book to your collection then it is a fine book. If you are into moving making or vehicle making and want exact details then this book isn't for you but it was a fun read and has some great pictures and four page spreads. I have been a Batmobile fan for 40 years and this book is a great addition to my collection of movie Batman books. I didn't miss the lack of details on the Tim Burton or Joel Schumacher Batmobiles because I bought this knowing it was mostly about the Tumblers.0 of 0 people found the following review helpful. Its goodBy E.MooreGood looking book we like alot0 of 0 people found the following review helpful. A must have for batmobile enthusiasts!By DavenAwesome!

Explore the complete history of the Batmobile with this deluxe coffee table book. Here for the first time is the complete history of the sleek, sophisticated, incomparable Batmobile. From its humble beginnings in the pages of Detective Comics, to its reimaginings every decade in the pages of DC Comics, to its unforgettable appearances on the big screen, this book explores each incarnation of the Batmobile in incredible detail and scope. In addition to comic books, the Batmobile has been immortalized in nearly every imaginable medium, including film, television, toys, and video games. Most recently, it was given breathtaking new lifeand incredible capabilitiesin Christopher Nolans

extraordinary film trilogy, which concludes with 2012's *The Dark Knight Rises*. While each of the Batmobile incarnations will be explored, special attention will be paid to the "Tumbler" Batmobile from *Batman Begins*, *The Dark Knight*, and *The Dark Knight Rises*.
