By Hwy61Joe BATTLE POPE: MAYHEM is probably the most offensive piece of story-telling I've ever read, seen or heard about! I can't believe the things Kirkman, Moore and the rest put into these pages! Not for the easily offended, or even those who it's difficult to offend. In fact, if it's even POSSIBLE for you to be offended you should avoid this

book at all costs! Be sure to read the text that goes along with the sketchbook section at the back. I got my biggest laugh out of the story about Kirkman's grandfather...0 of 0 people found the following review helpful. Silly take on a hilarious topic: BATTLE POPE.By TastyWhaleThis will offend humorless hardcore Christians. It will entertain anyone who wants a bizarre story with a not-perfect hero.Fun expansion of the story.

Picking up right where volume one left off, this collection paves the way for all future Battle Pope stories. Featuring the downfall of HellCorp and Pope's rise to local celebrity status, plus as many fights, guns, jokes, chicks and violence as you can fit in a 120-page trade paperback. This one has it all.
