Marc Andreyko : Batwoman Vol. 6: The Unknowns (The New 52) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Batwoman Vol. 6: The Unknowns (The New 52):

Meet The Unknowns Clayface: a desperate man driven to madness and monstrosity by a magical artifact that transformed him into a shapeshifting killer. Ragman: a guardian of Gotham City whose supernatural suit is woven from

a thousand lost souls. Etrigan the Demon: a prince of Hell bonded to a human host a millennium ago, desperate to free himself ever since. And Batwoman: a crimefighter whose alter ego, Kate Kane, may have just lost the love of her life, only to find passion in the arms of a creature of the night. Heroes, villains, something in between-to each of them, the others are a complete unknown. But an ancient evil has returned from beyond the grave: Morgan Le Fey, the mad witch who destroyed King Arthur's Camelot and would do the same to all civilization. It's an evil this fearsome foursome can only stop together-if they don't tear each other apart first. Writer Marc Andreyko and artists Georges Jeanty and Juan Jos Ryp present **BATWOMAN: THE UNKNOWNNS** (collects issues #35-40, **BATWOMAN ANNUAL #2**, and **BATWOMAN: FUTURES END #1**) - a tale of magic and mayhem that will take Batwoman from the gutters of Gotham to the coldness of space to the depths of her own heart!
