Kate Beaton : Beethoven Birthday Party: A 2013 Hark! A Vagrant Calendar before purchasing it in order to gage whether or not it would be worth my time, and all praised Beethoven Birthday Party: A 2013 Hark! A Vagrant Calendar:

1 of 1 people found the following review helpful. Fun, very basic monthly wall calendar By Captainette I thought instead of an "inspiring" or "motivational" calendar for work, this year I'd get something just for fun. The days are marked with Beaton-selected notable dates and factoids (printed in black) as well as the usual government-recognized holidays (white). As shown in the previews, each month is illustrated by black white reproductions of original comics. The color cover is a nice bonus but not an indication of what to expect inside. One practical drawback: Until I started using this I didn't realize how much I used those tiny month-prior, month-after views (or even just the "ghost" dates on either side of the current month) to skip ahead or behind without turning the page. The current month view contains ONLY that... but I'm just using this to mark my time off and see what day it is. Another slight problem is the way the standard holidays are printed in white. On the Beethoven Birthday Party calendar, the grid background is yellow so the white text can be hard to read, especially when sharing space with black. However, I think the fluorescent office lighting contributes to this as much as the color combination. For content it is 5 stars but as a calendar it is somewhat flawed, so overall it's 4 stars. I definitely would still buy it, since everything I bought it for is there (Hark! A Vagrant humor, smarts and goofiness) and the minor drawbacks mentioned are things I wouldn't factor into this type of purchase anyway. But, I mention them for people who would consider them. 0 of 0 people found the following review

helpful. Kate Beaton is the bestBy AwesomeBlossomKate Beaton has the uncanny ability to take famous historical figures and make them just a little more human, not to mention hilarious.0 of 0 people found the following review helpful. A CHRISTMAS GIFT TO SOMEONE ELSEBy DERALD L SCHULTZIt was just what the receiving end request for CHRISTMAS , they were HAPPY with the gift.. Thank you very much .

ONE OF TWO KATE BEATON WALL CALENDARS FOR 2013Hark! A Vagrant spent five months on the New York Times Bestselling Graphic Novels list and landed on Best of 2011 lists across the continent including Time Magazine, cementing Kate Beaton as one of the leading cartoonists of our time. This 2013 wall calendar features 12 of Beaton's funniest comics including "Strong Female Characters," "Sexy Batman," Liszt's rivalry with Chopin, and new material from her wildly popular website, harkavagrant.com. This calendar will not only brighten walls, but brighten people's day with a hearty laugh.
