I love seeing more Owl and Rorschach tales and the DrBy VentronicI had avoided the Before Watchmen project until recent comic news made me feel an urge to check it out. This volume is a triumph. I love seeing more Owl and Rorschach tales and the Dr. Manhattan story is beautifully done.

I'm glad this exists and that I read it. 2 of 2 people found the following review helpful. Wasn't sure about the idea of these prequels, but this puts my fears to ease. By James L.J. Michael is the only person I know who could write these stories as well as Mr. Moore could. Nite Owl is a great read that is reminiscent of the old 80's Batman comics. Dr. Manhattan is a little confusing at times, but any fan of the original Watchmen comic I think will be pleased with it. The Moloch story is a nice little add on, giving us a background on the Watchmen universes only super villain and the tragedy of the character. A definite read if you enjoyed the original Watchmen comic and is so far the only Before Watchmen collection I have thoroughly enjoyed. 2 of 2 people found the following review helpful. Five Stars By CustomerAwesome read!

Discover what happened before WATCHMEN as writer J. Michael Straczynski is joined by Andy Kubert and the legendary Joe Kubert to take flight with the gadget-savvy vigilante known as Nite Owl! And then in BEFORE WATCHMEN: DR. MANHATTAN, JMS teams with fan-favorite artist Adam Hughes on the all-powerful super-man Dr. Manhattan. For Dr. Manhattan, past, present, and future are one and the same. But as he observes the events of his life, do they remain the same? Or are they changed? The very fact of his existence may have altered the nature of what will or will not be... Collects BEFORE WATCHMEN: NITE OWL #1-4 and BEFORE WATCHMEN: DR. MANHATTAN #1-4.

"Signing up two generations' worth of legendary artists [Joe and Andy Kubert] is a wise move for DC Entertainment." NY Daily News "J. Michael Straczynski's writing is crisp and keeps the story moving -- he's clearly not trying to "rewrite" the original Moore material, but instead builds off on it." Mtv Geek About the Author J. MICHAEL STRACZYNSKI has worked in television, comics and, most recently, motion pictures. In comics, he is known for The Amazing Spider-Man, The Twelve, Thor and Silver Surfer: Requiem, as well as SUPERMAN: EARTH ONE Volumes 1 2 and BEFORE WATCHMEN for DC Comics.
