Bisco Hatori : Behind the Scenes!!, Vol. 3 before purchasing it in order to gage whether or not it would be worth my time, and all praised Behind the Scenes!!, Vol. 3:

1 of 1 people found the following review helpful. cute and silly story with occasional hints of plot - cont. By ianCute, if insubstantial, story by the author of Ouran. I Actually prefer this to Ouran, as I found Ouran to be somewhat juvenile, and occasionally too shoujo at times. This story takes place in college among an arts/crafts type group, and provides some very interesting information on behind the scenes crafting. This volume continues the main story (such as it is) and continues revealing back story and character development. It also ends on a bit of a cliff hanger, setting up the

next volume with the promised introduction of new characters.0 of 0 people found the following review helpful. No drama, no bs. Just fun and smilesBy Los picklesIn this volume, we learn about Yuka and Tomu's backstories. And with that, we've pretty much know everyone's deal. Now we can just sit back and watch the couples form (because you know that there will definitely be some couples forming).Yuka's back story was really built up in past volumes, but it turns out to be kind of anticlimactic. No drama or anything, just an unfortunate circumstance. But I wasn't really looking for drama in a story like this, so I wasn't disappointed or anything. Art Squad is just a bunch of eccentric people who like making things-- it's refreshing!0 of 0 people found the following review helpful. I love this new series from this authorBy A. / B. StraussI love this new series from this author! She really has a lot of fun characters and this story really expands on them. I can't wait for the next volume to come out!

Ranmaru spends his whole life not fitting in, until the oddballs of the Art Squad adopt him as one of their own. Ranmaru Kurisu comes from a family of hardy, rough-and-tumble fisherfolk and he sticks out at home like a delicate, artistic sore thumb. Its given him a raging inferiority complex and a permanently pessimistic outlook. Now that hes in college, hes hoping to find a sense of belonging. But after a whole life of being left out, does he even know how to fit in?! Ryuji Goda, Art Squad president and sterling example of self-confidence, has become anxiety-ridden Ranmarus greatest role model. Surely under the guidance of such a genius, Ranmaru will come into his own? But now a film camp at a remote mansion is putting Godas assurance to the test. Is Ranmaru up to the challenge of saving his mentor from his greatest feara child?!

About the AuthorBisco Hatori made her manga debut with Isshun kan no Romance (A Moment of Romance) in LaLa DX magazine. The comedy Ouran High School Host Club was her breakout hit and was published in English by VIZ Media. Her other works include Detarame Mousouryoku Opera (Sloppy Vaporous Opera), Petite Pche! and the vampire romance Millennium Snow, which was also published in English by VIZ Media.
