Kentaro Miura : Berserk, Vol. 13 before purchasing it in order to gage whether or not it would be worth my time, and all praised Berserk, Vol. 13:

1 of 1 people found the following review helpful. The MUST HAVE volume of BerserkBy ObsidianThis is probably THE most crucial volume of berserk to read to understand why he turns into the Black Swordsman. Lot's of reviews bash the added sound words that have been brought in.. This is true, it is quite irritating while reading but does not take the major effect of the volume away from the reader. This is still a very great volume to own. Was delivered earlier than estimated, no noticeable issues with the book.0 of 0 people found the following review helpful. Five StarsBy David GomezFantastic entry in the series with one of the most memorable Manga covers of all time0 of 0

people found the following review helpful. enjoy. By Adrian Wilson this is it, if you've seen the anime. the actual, unabridged version of the eclipse. that's all that needs to be said in my opinion. enjoy.

The Band of the Hawk may have been the most formidable band of fighters around, but when matched up against an army of abyssal monstrosities, earthly fighting skills don't amount to a hill of beans. The Hawks tortured and mutilated former leader, Griffith, has used the accursed Crimson Behelit to open the gates to a shadowy realm of unspeakable horrors, the realm of the demon lords of the Godhand, who are willing to transform Griffith into a being of terrible power and majesty as long as Griffith is willing to give up his former command as sacrifices in the Invocation of Doom. But nobody takes down the Hawks without a fight, and their berserker champion, Guts, will take on anything Hell can throw at him in order to save his lover, Casca, from the sordid violations that only Hell can offer.

About the Author While attending college at Nihon University, in 1988, Kentaro Miura debuted a 48-page manga known as Berserk Prototype, an introduction to the current Berserk fantasy world. It went on to win Miura a prize from the Comi Manga School. In 1989, after receiving a doctorate degree, Kentarou started a project titled King of Wolves based on a script by Buronson, writer of Hokuto no Ken (Fist Of The North Star). In 1990, the first volume Berserk was released with a relatively limited success. Miura again collaborated with Buronson on manga entitled Japan. Miura's fame grew after Berserk began "The Golden Age" story arc and the huge success of this masterpiece made of him one of the most prominent contemporary manga artists. In 1997, Miura supervised the production of 25 anime episodes of Berserk that aired in the same year on NTV. The series has also spawned a whole host of merchandise, both official and fan made, ranging from statues and action figures, to key rings, video games, and a trading card game. In 2002, Kentaro Miura received the second place in the Tezuka Osamu (Astro Boy) Cultural Prize of Excellence for Berserk. The author lives in Tokyo, Japan.
