Kentaro Miura : Berserk, Vol. 14 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Berserk, Vol. 14:

0 of 0 people found the following review helpful. Great ReadBy MoustafaI Absolutely love it, Watched the anime series and got really excited to know more, so i bought this and Volume 15 and without saying too much i am definitely going to get the entire 38 volumes. This picks up right after the animated series but you might need to get volume 13 first to see the actual ending of the series before you start reading the quest for revenge by Guts and his newly introduced characters.0 of 0 people found the following review helpful. Super RecommendedBy FeroxAnimaThis whole series is truly incredible. I buy it in batches of 5 volumes and can easily finish a whole such

batch in one sitting if I don't restrain myself. 0 of 0 people found the following review helpful. One of the best Mangas ever! By Niraj Pierce If you haven't read or seen berserk, you don't know what your missing. From art to story, very well done in every little way. You can feel the action frame by frame. Solid work. One of the best.

The once unbeatable Band of the Hawk is smashed, and their former leader, Griffith, has made an unholy pact with the demon lords of the Godhand, sacrificing his former troops to resurrect his crippled body and ascend to stand in power beside these profane gods. The Invocation of Doom has unleashed a plague of unspeakable horrors upon the earth, and the first battle not only shatters the Hawks, but the hand of their champion, Guts, and the mind of their captain and Guts lover, Casca. And while time may heal some of Guts wounds, it will not heal his desire for vengeance. And his discovery of a gigantic, dragon-slaying sword might be just the ticket to deal out some king-sized payback! Also included in this volume: "Berserk Prototype," the very first Berserk story, created during Kentaro Miura's college days as his audition that sold the series!

About the Author While attending college at Nihon University, in 1988, Kentaro Miura debuted a 48-page manga known as Berserk Prototype, an introduction to the current Berserk fantasy world. It went on to win Miura a prize from the Comi Manga School. In 1989, after receiving a doctorate degree, Kentaro started a project titled King of Wolves based on a script by Buronson, writer of Hokuto no Ken (Fist Of The North Star). In 1990, the first volume Berserk was released with a relatively limited success. Miura again collaborated with Buronson on a manga entitled Japan. Miura's fame grew after Berserk began "The Golden Age" story arc and the huge success of this masterpiece made of him one of the most prominent contemporary manga artists. In 1997, Miura supervised the production of 25 anime episodes of Berserk that aired in the same year on NTV. The series has also spawned a whole host of merchandise, both official and fan made, ranging from statues and action figures, to key rings, video games, and a trading card game. In 2002, Kentaro Miura received the second place in the Tezuka Osamu (Astro Boy) Cultural Prize of Excellence for Berserk. The author lives in Tokyo, Japan.
