This review and the text it is laid out in is the opinion of the author. The Berserk manga is one of the best stories I have ever read. I initially watched the old anime and decided to read the book and I must say I am blown away by the depth of the story. The hero will take some getting used to, but he grows on you. The villains will leave you in disgust, and you will not be able to stop turning the pages. This is a great series, and it is definitely a worthwhile read. Don't miss this story!0 of 0 people found the following review helpful. Incredibly well done action scenes and art.By Karissa EckertThis is the 2nd volume in the Berserk series and

continues the battle started in the first book. We find out that the evil Count is much more evil than even Guts first thought. The book is full of detailed battle scenes and we get a little more background on the brand Guts wears. We also learn more about Guts as a character. Despite his bad attitude and the gruff and careless way he treats his companions, we find out that it does bother him some to leave the weak to their fate. However hes fighting a larger battle and cant afford to be distracted. The illustration continues to be very well done and is easy to follow. I felt like the story didnt make as much progress as it did in the first volume; hopefully this arc will start to wrap up in volume 3. This volume is basically one long battle between Guts and the Counts demon. Overall I enjoyed this volume and thought the action scenes were incredibly well done, the illustration is also very detailed and well done. 6 of 6 people found the following review helpful. BERSERK By William Puffing Berserk is amazing. Those who've read/ seen any of the series, it's great. However it's despicable how second hand sellers are trying to absolutely take advantage of the fans when it comes to selling the manga volumes. I see some of the volumes for no joke one THOUSAND dollars (for a used copy no less HAHHAHAHAHA). I would just really like to know where these greedy and outrageous prices are coming from. So on an end note BERSERK IS BEING REPRINTED ON OCTOBER 23RD 2013 !!!!!!!!!!!!!!! DO NOT LET GREEDY SECOND HAND SELLERS RIP YOU OFF!!!!!! (anything over \$15 is unreasonable and criminal) ALL THE VOLUMES WILL BE AVAILABLE FOR RETAIL PRICE AFTER OCTOBER 23RD 2013!!!!!!

The evil Count uses his dark powers to transform a defeated guard captain into an inhuman horror to combat Guts, the Black Swordsman. Puck, Guts pint-sized fairy sidekick, is captured when he attempts to stop an old doctors execution, and he is given as a gift to the counts daughter, a sweet girl in a gilded cage, imprisoned by her father in her own room. Guts, determined to make mincemeat of the Count, assaults the castle and carves a swath of blood-soaked destruction through the Counts minions. Face-to-face with the Black Swordsman at last, the Count reveals his true form, and even Guts super-sized sword may not be big enough to contend with this demonic monstrosity!
