Matt Groening : Big Book of Bart Simpson (Simpsons Comics Compilations) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Big Book of Bart Simpson (Simpsons Comics Compilations):

0 of 0 people found the following review helpful. Big Book of Bart Simpson By Dougmoser A must have for any Simpson fan, particularly the most mischeivous of them all. This volume contains the first four issues of Bart Simpson. (1-4) 8 of 9 people found the following review helpful. Not Very Big and Not Very Funny By mwreview As

the title indicates, these comics feature the mischievous doings of Bart Simpson. Only three comics are centered around other characters ("Who Wants to Win a Pockfeful of Quarters" and "Battle of the Boy Bands" (Backyard Boys and N'Style) are about Lisa and "Bully For You" is about Milhouse). Instead of long comics that the other Simpsons books have, this book is made up of 15 shorter ones. These comics are also not as funny as most of the ones from the other Simpsons comic books (i.e. Unchained and Wingding). Younger readers may appreciate this book more than adults like me who crave the cynical view of society brilliantly illustrated in most Simpson material. I have a dozen Simpsons comic books, and this one I'd place in my bottom 3. Case in point is the first comic "Big Fat Trouble in Little Springfield." After making fun of the round, chocolate-loving exchange student Uter, Bart dreams of being grotesquely overweight. What keeps this comic from being a winner is that only Bart's stomach is bloated. His head and neck remain the same. It isn't like in the T.V. episode "King Size Homer" (my favorite Simpsons episode!) when Bart fantasizes about "being a lardo on workman's comp, just like dad." There he was a big blob cleaning himself with a rag on a stick. This comic, in contrast, has more juvenile humor. Nothing like king size Homer trying to make a phone call only to hear a recording "The fingers with which you are dialing are too fat." In the second comic, "Grrrl Whirl," Lisa is a soccer star?! Not only that, she is idolized by the young girls of Springfield?! This scenario makes very little sense for those who know the Lisa character as the unpopular bookworm with no athletic prowess (except in the one episode where she was an ice hockey goalie). Two highlights are "Terror on the Trioculon," a Lost in Space take-off with such characters as Dr. Burns, Saturn's Little Helper, Space Monkey Moe-Moe, and Milbot, and "Close Encounters of the Nerd Kind" (great title!) where Kang and Kodos try to abduct the typical earth child by aiming their ray over the Simpsons' house. Professor Frink fans will be happy to know he is featured in three shorts in this book. 0 of 0 people found the following review helpful. Fun! By A Customer Awesome! This is a great book! My Parents Don't let me watch the TV show. So I checked this book out of the library. I loved it! It was not very funny, but I still enjoyed it. My favorite comic strip is Bart's Trip to the Zoo. I would recomnd it to anyone who is a fan of the TV show, or anyone in the 8-10 age group.

Bart Simpson, America's favourite underachiever, lays claim to his own comic collection. In an homage to the comics he enjoyed as a kid (such as Little Lulu and Peanuts), Matt Groening presents stories about Bart and the kids of Springfield with adults taking a backseat as comic foils. Big Book of Bart Simpson features several short stories that can be enjoyed by a younger reading audience, but there are plenty of laughs for kids of all ages. It's good old-fashioned fun with the same satiric edge that has made 'The Simpsons' the most successful animated program in television history.

About the Author Matt Groening, the creator and executive producer of the Emmy Award-winning series The Simpsons, as well as creator of the cartoon strip "Life in Hell" and the animated FOX television series Futurama, is the man responsible for bringing animation back to primetime and creating an immortal nuclear family. In addition, Groening formed Bongo Comics Group in 1993 and currently serves as publisher of The Simpsons Library of Wisdom, Simpsons Episode Guides, Simpsons Comics, Bart Simpson Comics, Radioactive Man Comics, Simpsons Comics Treasure Trove, the annual Bart Simpson's Treehouse of Horror, Futurama Comics and more than 36 comic compilations, as well as many instant classics including Bart Simpsons Guide to Life, The Simpsons Handbook and The Simpsons Uncensored Family Album.
