The graphic novel really sets the tone and the artwork is phenomenal.0 of 0 people found the following review helpful.

Great Comic!By josh fleenorI read this book for the first time 18 years ago, checked it out from the library. I was excited to see a hard back copy for sale! Great comic, wish they made more!!!! If you have never read Big Guy the art style reminds me a lot of the Manhattan Project series

Front and center, America! Here comes action! Here comes adventure! Here comes The Big Guy and Rusty the Boy Robot - a roller-coaster ride through the minds of Geof Darrow and Frank Miller, the tag team that set you reeling with their hard-hitting series, Hard Boiled! Everything you remember about being thirty-eight-years-old and watching monster movies is right here, but with all the magnified detail that you always wanted to see. Everything you remember about being eight years old and watching monster movies is right here, but with all the magnified detail that you always wanted to see, collected this time as never before in a gorgeous hardcover volume, with re-mastered color by the inimitable Dave Stewart!
