**Dennis Hopeless : Big Thunder Mountain Railroad** before purchasing it in order to gage whether or not it would be worth my time, and all praised Big Thunder Mountain Railroad:

Being someone who has been reading comic books since he could remember, I have read A LOT of really good stories from the comic book landscape, and so I have quite high enough for what makes a comic's story good. I rarely find a mini-series very interesting, and prefer to stick to longer story arcs, so I wasn't expecting much at all from these "Disney Kingdom" stories. So, imagine my surprise when I actually read it and found it to be of extremely high quality! The story is very well written, especially considering how short of a time

they have to tell it, and includes many aspects that caused me to eat the story up! I couldn't put it down. Besides that, I thought that the main characters was one of the most well written female heroes in modern comics; kick-butt, but still feminine, with a fantastic personality. While it's not THE greatest comic mini-series ever written, it is still enormously fun; easily my favorite Disney Kingdoms story so far (even after reading ALL of them). Don't be fooled by the word "DISNEY".....0 of 0 people found the following review helpful. Dented and small rip in Dust coverBy Wyrd HawaiiArrived in time for Husbands Birthday, but it was damaged.He loves the book which is what I wanted, but Im a collector and too me, its worthless now. needs too have a meeting with their shipping department.1 of 1 people found the following review helpful. This comic was fun to readBy DisneyFanThis comic was fun to read, and did a nice job of wrapping up the story within the book! Lovely artwork and strong female character. I also love the Disney Park information given about the actual ride.

Millions of fans have climbed aboard the "wildest ride in the wilderness"-and now Marvel hurtles you through the mists of time to reveal the never-before-told saga of how the dangerous gold mine of Big Thunder Mountain became the haunted legend it is today! Malevolent mine owner Barnabas T. Bullion is determined to shelter his teen daughter Abigail from the dangers of the Wild West, but this brave young hero has other ideas...which include robbing her own father's mine as a masked bandit! Earthquakes! Floods! Dynamite-chewing goats! Can the denizens of Rainbow Ridge survive the clash between mankind's greed and nature's fury? And what is the protective power that dwells deep within the mysterious mountain? Surprises await you in the latest Disney Kingdoms saga by the acclaimed duo of Dennis Hopeless (Spider-Woman) and Tigh Walker (Avengers Undercover)! COLLECTING: Big Thunder Mountain Railroad 1-5
