I Laughed, I Cried, It Was Better Than CatsBy Bobby SprinklesIt reminded me of those cheesy, low-budget, mock-busters that you see on Netflix from time to time (like Transmorphers or Alien vs Hunter). level story telling. But you don't buy a comic book called "Grizzlyshark" for its rich and riveting story, you buy it because it's absurd and over the top. This book is entertaining and disturbing all at the same time. Overall, I have mixed feelings about it. This book collects Grizzlyshark #1-3 and is written and penciled by Ryan Ottley. 0 of 0 people found the following review helpful. Aaaaaaaaah! By potech It's soooo Good!
