Sergio Ponchione : Grottesque Vol. 3 (Ignatz) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Grottesque Vol. 3 (Ignatz):

In the second half of the two-part "Cryptic City" epic, Professor Hackensack continues his battle against the Wicked Barons alongside Inspector Doppiofaccio, the mysterious Lady Puzzle, and an unexpected ally from beyond the grave - with the enigmatic Mr. O'Blique on the sidelines. This amazingly inventive work of fantasy from one Italy's

hottest new talents is proving to be a sleeper hit!
