Jim Mahfood : Grrl Scouts Volume 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Grrl Scouts Volume 1:

0 of 0 people found the following review helpful. Nothing deepBy Maya RosalesBut I wasn't expecting anything of the sorts. I read a preview way back when on the Image Comics website. Since I had just became a Girl Scout, the first 5 pages hooked me enough to buy the title 5 years later when I was able to. Now an alumnus, this book is still hilarious, as it has nothing to do with the actual Girl Scouts.0 of 0 people found the following review helpful. Riot Grrl

exploitationBy Tucker L FitzgeraldI read this a long time ago. Funny, subversive, offensive, but ultimately Riot Grrl exploitation... notice who's writing it :)2 of 3 people found the following review helpful. Good style, Not so good writingBy TonyI love this book. I bought it after seeing Jim Mahfood's work in the "Clerks" comic, and this did not disappoint. If you like comics, or aspire to write them, this is a good buy. The story lags in some parts, mainly in some of the dialogue (it seems like he's occasionally trying too hard to make drug references or use slang), but that isn't why I bought the book, nor is it the reason why I love the book. The style is awesome! I found myself getting very into the action of the book, just because of how it was all presented. The story is pretty cheesy, but **BUY THIS BOOK**. I like the pretty pictures.

Cute, independent, and full of attitude, Gwen, Daphne, and Rita are three girls doing what they have to do to survive in big bad Freak City. From expressing themselves through graffiti or cutting loose on the dance floor, the party is always raging- that is, until the Brotherhood of the Cracker catches wind of the good time and decides to crack down. The Brotherhood is an evil alliance that controls the world's power structure from behind the scenes, and they don't like the Grrls hoarding in on their business. Before they know it, the Grrls are being hunted by assassins and are on the run for their lives. From the comic shop to homogenized suburbs and the ivory towers of corporate greed, Grrl Scouts is an action-packed, hip hop comics adventure that attacks society with both fists and never stops punching.
