Kenichi Sonoda : Gunsmith Cats: Burst, Vol. 2 (v. 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Gunsmith Cats: Burst, Vol. 2 (v. 2):

0 of 0 people found the following review helpful. Bursting with Action!!By Wayne CashKenichi Sonoda brings out another fun tale, about the Gunsmith Cats. I have a special love for the series, so I'm a bit biased. I will admit,though, that this one wasn't as enriching as I found others to be. I love the action and the adventures, but Kenichi tends to nerd out too much about gun-smithing. If you're into guns, and their functions, bravo... But I'm not so much, so I felt left out of the conversation sometimes. I get it, its in the title....But its also a STORY, and I don't think it serves the story just to know how hard or fast a bullet can fly, unless it plays out later on. The saving grace here is that Bean Bandit has a LOT of camera time, and we find out how tough and resourceful he is, under pressure! All-in-all I give it a 8-out-

There's lots of fast action with guns and muscle cars, and two adventuresome young American women who own a Chicago gunshop, but also work as bounty hunters (eat your heart out, Dog). Of course, the gals are sexy little ladies with huge blue eyes, beautiful bodies, and not afraid to take on the mob and other high-power characters. They're always walking into the danger zone but manage to come out alive. Great artwork and a good story.0 of 0 people found the following review helpful. Great for anyBy theBLKrabbitRemoval of sticker beware. Great for any collected

The long-awaited return of Gunsmith Cats continues with its second exciting volume!Daily, Rally and Minnie run a weapons shop in Chicago... but they have a side business as bounty hunters! Their main task is to hunt down runaway criminals, but they somehow always end up undertaking risky jobs and get themselves into major messes!

About the AuthorKenichi Sonoda is a manga artist best known as the creator of Gunsmith Cats, which ran from 1991 to 1997. The sequel, Gunsmith Cats Burst, was published from 2004 to 2008. Sonoda also created Cannon God Exaxion and is the character designer for several animes, including SoltyRei.
