Kenichi Sonoda : Gunsmith Cats Omnibus: Volume 2 (v. 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Gunsmith Cats Omnibus: Volume 2 (v. 2):

Still jam packed with detail and plot, tis a bit fanciful but still an enjoyable ride of fast cars, rare guns and plenty of depictions of the female form. Though with a bit more kink than I like. Mr Sonoda has some rather, ahem specific tastes that pop up over and over again in his work.1 of 1 people found the following review helpful. GREAT MANGA BY A GREAT CHARACTER DESIGNERBy PersonReviewingThe second omnibus collection in the "Gunsmith Cats Revised Edition" series is as good as the first and I believe even more action packed.By the character designer of the original "Bubblegum Crisis" OVA, mangaka Kenichi Sonoda

(Gunsmith Cats and Ridding Bean).In my opinion this is one of the greatest action manga ever.0 of 0 people found the following review helpful. even if your not a fan of manga this is the exceptionBy Aaron Birdif you don't like manga thats ok but this one is one you may like any way guns bombs fast cars and gangsters its got it all

Rally Vincent and Minnie-May Hopkins run a gunsmith shop in Chicago by the day...but they have a side-business as bounty hunters, and there are none better than they are. That's rare for two girls in their late teens! But you can bet Kenichi Sonoda will make you want to believe it.
