**Christopher Hastings : Gwenpool, the Unbelievable Vol. 3: Totally in Continuity** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gwenpool, the Unbelievable Vol. 3: Totally in Continuity:

0 of 0 people found the following review helpful. Great style and humorBy JeanineSeries continues with its great colorful style and sense of humor. I've found myself having grown rather fond of Gwenpool's team of D-list villains/antiheroes who suit the quirky dysfunctionality of Gwen's character well, and are given adequate humanization

to allow for the reader to become personally invested in them. The Christmas special issue at the end was a bit weird though. 0 of 0 people found the following review helpful. A step down from the previous volumes. By Benjamin R. Hanson. Mostly worth reading, but I would advise skipping anything in the Christmas special not actively involving Gwen. It's just cringey, and Ryan North's segment is an excellent argument not to read his other books. 3 of 3 people found the following review helpful. More Gwen! By aMTMI. I hope these keep coming cause this is one of the few comics I'm really into right now. It's just so charming.

Gwen Poole continues to make friends and influence people across the Marvel Universe! But what will some of Marvel's greatest heroes make of Gwen and her bizarre perspective on the world they live in? Whatever happens, it'll be Unbelievable! COLLECTING: THE UNBELIEVABLE GWENPOOL 11-15
