Tim Seeley : Hack/Slash Volume 8: Super Sidekick Sleepover Slaughter before purchasing it in order to gage whether or not it would be worth my time, and all praised Hack/Slash Volume 8: Super Sidekick Sleepover Slaughter:

0 of 1 people found the following review helpful. another great cassie hack volumeBy horror movie fangotta say this one is another great addition to the cassie hack saga , i hope that she becomes as big as some of the marvel heroes weve grown to love over the years. i mean who wouldnt want to keep this series going for a good long time to come ? hope to see more of cassie for years to come

It's the genre mash up you've always secretly wished for! TEEN SUPERHEROES meet TEEN SLASHER! In suburban New Jersey, a group of teens decide to take on the identities of long forgotten masked vigilantes! But it's not long before the skimpy spandex draws the attention of a knife-wielding maniac! Cassie and Vlad must infiltrate the supervillain underground to stop the Super Sidekick Sleepover Slaughter!
