I literally sat down and finished it in one sitting, it was that intriguing. I do have to confess that I am an IT guy, so the subject matter itself is fascinating to me. If your into technology, a cat and mouse type of stories, and even some minor surprises, then you would totally dig this. 0 of 1 people found the

This is beautifully done art wiseBy AmahelThis is beautifully done art wise, and I really enjoyed the story-line. It's a very pertinent issue, so I'm glad I got the hardbound instead of the issues. (Although they are already worth more than their list price)

A fast-paced, ripped-from-the-headlines tech thriller from the mind of Alyssa Milano!From the creative mind of Alyssa Milano, with artist Marcus To and writers Jackson Lanzing and Collin Kelly, *Hactivist* is a fast-paced cyber-thriller about friendship and freedom in a time of war. The world knows Ed Hiccox and Nate Graft as the young, brilliant co-founders of YourLife, a social networking company that has changed the way the world connects with each other. The world knows "sve\_Urs3lf" as the largest white-hat hacking group on the planet, exposing information and sparking revolutions across the globe. What the world doesn't know is that this is a lie. Ed Hiccox and Nate Graft are sve\_Urs3lf. When their operation is discovered by the US Government, and their company is taken over by military contracts and CIA, Ed and Nate must face the real world beyond the code and choose between friendship and what they believe to be right.

About the AuthorAlyssa Milano is a actress, producer and philanthropist best known for her work in television and global activism.
