Age 14+Characters:Ashiya Mizuki Hidden Identity: Female pretending to be a boy.While this girl seems like a stalker, she does nothing overtly aggressive, intrusive, or disturbing. She's a tiny track star with hopes of seeing her idol, the high-

jumper Sano, in action. Sano Izumi The crush. He looks good, being tall with dark hair, and happens to be both a scholar and an athlete as well. His secret failing, he can't handle alcohol at all! Nakatsu A soccer player who befriends Ashiya and adds greatly to the lively character of the comic with his antics. Art: Basic sketches, funny facial expressions, a lot of story in the first volume. I love this storyteller! Plot Summary: A 16 year old Japanese American girl pursues her athletic (track-and-field events) crush all the way to a Japanese boys' school. Her boy chasing is limited to befriending him while she tries to keep her identity a secret. She is torn between her desire to get closer to him and her longing to remain by his side at school (while keeping her gender secret). Funny parts include: Trying to be one of the guys Embarrassment over sports activities which lead to close contact School idol competition Encouraging her friends to keep competing Talks with the school nurse Living in a dorm filled with attractive guys The dog (dorm mascot) threatens to give her away

It's my absolute favorite of all shojo manga--it's got a touch of something for everyone, male and female alike! There's action, there's romance, there's sports, there's drama, and plenty of gags all along the story line! You'll find yourself loving the main heroine, Mizuki, within the first few books, and as the series progresses, you can do nothing but root for her all along the way! I'd give this series a hundred stars, if I could! Hisaya Nakajo is an amazing writer, and I wish more of her beautiful work would be published in America. This, and her gorgeous art book are some of my favorite products! Love this series! Great for those wanting to get into manga, too. The story is light hearted and wonderfully playful enough to keep even the most unattentive readers interested! 1 of 1 people found the following review helpful. My first Manga series and I LOVE IT! By Sherri I absolutely love reading this series! I'm probably a little old (45), but it's a GREAT read. I have ordered the rest of the 3-in-1 books for this series and I can't wait to see how this story plays out.

What happens when the hottest boy in school is a girl?!? Reads R to L (Japanese Style), for audiences T+. Mizuki Ashiya has such a crush on a track star named Izumi Sano that she moves from the U.S. to Japan to enroll in the all-male high school he goes to! Pretending to be a boy, Mizuki becomes Sano's roommate but how can she keep such a big secret when she's so close to the guy she wants? It looks like Mizuki's cover might be blown when she finds out she's going to have to compete in a cross-dressing match. She's going to have to be a boy pretending to be a girl but that might give away that she's already a girl pretending to be a boy. Plus, a schoolmate has a crush on Mizuki who is super confused because he thinks she's a boy.
