Charles M. Schulz : Happiness Is a Warm Blanket, Charlie Brown before purchasing it in order to gage whether or not it would be worth my time, and all praised Happiness Is a Warm Blanket, Charlie Brown:

0 of 0 people found the following review helpful. Gift for the libraryBy CustomerGreat book from Charles Schulz. The Youth Services Department has a summer reading program and this will be given to them. An afghan crocheted at the library will also be given to them. The book and afghan go well together.0 of 0 people found the following review helpful. Disappointed. Thought it was going to be a comic ...By CustomerDisappointed. Thought it was going to be a comic type of book, but it was a toddler book. We gave it away to friends with younger kids.0 of 0 people found the following review helpful. Book more beat up than expected.By Martha S.I know it is a used book but based on the description, I expected MUCH better quality. All the corners are munched, with small rips in two of them. Also many indents in the book and many pages show wear. Not thrilled with the appearance, since not what I expected.

Happiness Is a Warm Blanket, Charlie Brown follows Linus as he tries to give up his beloved blanket before Grandma's visit. Even with the help of Charlie Brown, Snoopy, and Lucy, poor Linus realizes it's a little harder than he thought! Using illustrations from the television special, this is the perfect gift for any child or collectors' library.

About the AuthorCharles Monroe Schulz (1922 -2000) was a 20th-century American cartoonist best known for his Peanuts comic strip. He was born in St. Paul, Minnesota, to Dena and Carl Schulz. His nickname "Sparky" was given by his uncle, after the horse Spark Plug in the Barney Google comic strip. He attended St. Paul's Richard Gordon

Elementary School, where he skipped two half-grades. As a result, he was the youngest in his class when he attended St. Paul Central High years later, which may have been the reason why he was so shy and isolated as a young teenager. After his mother died in February, 1943, he was drafted into the army and sent to Camp Campbell in Kentucky. He was then shipped to Europe two years later to fight in World War II. After leaving the United States Army in 1945, he took a job as an art teacher at Art Instruction Inc., which he attended before he was drafted. First published by Robert Ripley in his Ripley's Believe It or Not!, then in a series of chronicles, The Saturday Evening Post, his first regular comic strip, Li'l Folks was published in 1947 by the St. Paul Pioneer Press. (It was in this strip that Charlie Brown first appeared, as well as a dog that looked much like Snoopy). In 1950 he approached the United Features Syndicate with his best strips from Li'l Folks, and Peanuts made its first appearance on October 2, 1950. This strip became one of the most popular comic strips of all time. He also had a short-lived sports-oriented comic strip called It's Only a Game (1957-1959), but abandoned that strip due to the demands of the success of Peanuts.
