**Maki Enjoji : Happy Marriage?!, Vol. 2** before purchasing it in order to gage whether or not it would be worth my time, and all praised Happy Marriage?!, Vol. 2:

4 of 4 people found the following review helpful. Great series (for adults)By L. WinterThis is a great series that I have been waiting to be released here in the US for quite a while. Wanted to make sure that I help support the Mangaka now that it is available in my country.This is NOT a good read for younger or teen manga fans. This has to do with real marriage and complex family issues that I would not recommend for anyone who is not an experienced adult.Very

funny and a little silly at times, but worth reading until the end of the series. It is one of my favorites! 2 of 2 people found the following review helpful. How to love a stranger By Kindle Customer The story is definitely about a married couple that don't know anything about each other. They are struggling to develop communication abilities and to even care about the other person. An arranged marriage with no love can be a hard system to function under. Both are stoically working on getting past the awkwardness of living with a stranger and are working hard to like the other person. The story moves right along with new things happening all the time. No dragging of the plot. It is interesting and real. 1 of 1 people found the following review helpful. Great Adult Book! By Jennifer Anderson This is a great book! This book is definitely for adults. Easy to read, funny, but serious at times. It is a great love story, you are never quite sure what will happen next. I can't wait for vol.3.

A working-girl romance In order to help her father, Chiwa Takanashi agrees to an arranged marriage with the company president, Hokuto Mamiya a man she doesn't know at the request of Hokuto's grandfather. Chiwa believes the arrangement isn't binding, but her new partner seems to think otherwise. Can two strangers living together find their way to a happy marriage?! Chiwa Takanashi has married a total stranger company president Hokuto Mamiya to get her father out of debt. Hokuto has pledged fidelity to her, but then the tabloids break the news of him dating a famous actress. Though Hokuto has denied having an affair, Chiwa starts confiding her worries to Yu Yagami, a handsome new company recruit. Is the contract they signed the only thing holding their marriage together? Reads R to L (Japanese Style) for mature audiences.

About the Author Maki Enjoji was born on December 8th in Tokyo. She made her debut with *Fu Junai* (Wicked Pure Love). She currently works with Petit Comics. *Happy Marriage?!* is her fourth series.
