Amanda Conner, Jimmy Palmiotti : Harley Quinn Book Mask Set before purchasing it in order to gage whether or not it would be worth my time, and all praised Harley Quinn Book Mask Set:

0 of 0 people found the following review helpful. Box arrived damaged.By Rob P.The mask is pretty cheap, maybe a step up from those "attempted murder masks" our parents used to stuff us into as kids, and the book (a present for my wife) is right up her alley, but the box itself, the one containing the mask and the book, looked like someone had been practicing their Bat-Fu on it. Numerous dings and dents, which kind of defeats the purpose of buying a collector's edition, if that's what you're doing.

However, her love of comic books and cartooning soon led her to the comics world, where she initially found work at companies such as Archie, Marvel and Claypool Comics. Since then, she has worked on a number of high profile projects spanning a variety of genres. Her works include Vampirella, Painkiller Jane, as well as creator-owned projects such as Gatecrasher (with co-creators Jimmy Palmiotti and Mark Waid) and The Pro (with co-creators

Jimmy Palmiotti and Garth Ennis). Her work for DC Comics includes CODENAME: KNOCKOUT, BIRDS OF PREY, TERRA, a well-regarded run on POWER GIRL, and BEFORE WATCHMEN: SILK SPECTRE. Amanda, along with her artist/writer/husband, Jimmy Palmiotti, and writer Justin Gray currently work together via PaperFilms, a multimedia entertainment studio engaged in screenwriting, art production and development.
