Jimmy Palmiotti, Frank Tieri : Harley Quinn's Gang of Harleys before purchasing it in order to gage whether or not it would be worth my time, and all praised Harley Quinn's Gang of Harleys:

The new villain was an emotional roller coaster starting out as completely unlovable and then becoming fairly sympathetic. lots of good one liners and jokes. That being said it was the little things that bothered me. 1. There were some dialogue mistakes. A miscount on Harley Queen's brothers in the

introduction, Harley accidentally calling Bolly Quinn by Harlem Harley's name.² Physical differences. While I do understand that different artists draw characters their own way, I expect consistency. Eye and lip color kept changing. Hair length too.³ A few major boobos. In her fight Hannah, who is supposed to use a pair of guns, inexplicably has a knife fight with the assassin. She somehow knows the assassin's name. Her glasses get punched off and broken, yet are back on her face in the next page. On the island even though they have no way of knowing who is shooting Harley and Bolly Quinn somehow just KNOW it's Captain Strong sniping the bad guys from the boat. They let Harley Sinn live, even though it's obviously a mistake and they've killed a lot of other people for a lot less. Finally even though the Joker was under strict restraint the last time we saw him, somehow he's being allowed to wander around Arkham with a mop and cleaning supplies unsupervised to the point that he's able to mess with Sinn through the door of her cell. This makes no sense.^{0 of 0} people found the following review helpful. Five StarsBy Stephaniegood story1 of 1 people found the following review helpful. Another Great Harley SpecialBy MarleenI saw the comments and ratings on this and thought this was not going to be a very good Harley special. I was surprised when reading it how much I loved this!First off I will say it was predictable. My Hubby was listening to my synopsis of it and he guessed what had happened with the villain right away.Nonetheless this story was so much fun, just like a typical Harley comic. Her gang of Harley's are so lovable and I loved getting to know them more and how the story gave them more of a featured spot.I would suggest any Harley fan get this special!

Spinning out of the New York Times best-selling HARLEY QUINN series comes HARLEY QUINN AND HER GANG OF HARLEYS. Harley Quinn has gone into the vigilante-for-profit business but there are so many folks who deserve a wallop, there's no way she can do it all herself! That's why she hired the Gang of Harleys Harley Queens, Harlem Quinn, Bolly Quinn, Harvey Quinn, Carli Quinn and Hanuquinn. But are the Harleys heroes in their own rights, or are they just coasting on their boss famous and fabulous tailwind? They're about to find out because Harley Quinn has been kidnapped! Who could be dastardly enough to kidnap Harley and actually keep her in one place? Who has the method and the motive to target the Gang's loved ones? Can these heroes step up and save their boss, or will the Gang of Harleys become a gang of corpses? HARLEY QUINN AND HER GANG OF HARLEYS collects the complete six-issue miniseries from writers Frank Tieri (Wolverine) and Jimmy Palmiotti (HARLEY QUINN) and hot new artist Mauricet (ROBIN WAR), shining the spotlight on Coney Island's favorite new band of hard-hitting, crime-fighting heroes!

"A deliberately silly romp with some drop-dead gorgeous art. It's silly, it's funny, it's irreverent."--Comic Book Resources "[Harley Quinn's] a complex character, and now, with Conner, Palmiotti, and Hardin at reins, she's being given the treatment she's long since deserved."--IGN "Harley Quinn is a pure joy as a self-referential comedic anti-villain, and an antidote to the far too serious superhero operas that it shares its universe with."--Newsarama About the Author Jimmy Palmiotti is a multi-award-winning comic book creator with a wide range of experience in advertising, production, editorial, film writing and production, media presentation, and video game development.
