By Leria Draven This Harley was a bit more serious, but I was glad to see it. We got to see her actually stand up for herself, face her demons, and realize there is more to herself than what someone thinks of her and what they want her to be. Our little Harley is growing up and it's great to see that type of character development and progress throughout the series! 2 of 2 people found the following review helpful. Courtesy of acclaimed creative team Amanda Conner and Jimmy Palmiotti, HARLEY QUINN VOL. 5: THE JOKERS LAST LAUGH proves that when it comes to true love, Harleys not joking around! Collects issue #22-25 of the ongoing series and the special issue, HARLEY QUINN: BE CAREFUL WHAT YOU WISH FOR.

"The strongest aspect of this issue is Conner's character work. Like the script, her characters are expressive in all the right ways, understated, and inherently emotional." --MTV Geek "The secret to this book's surprisingly sweet appeal is Amanda Conner." --Newsarama "[Conner's] work is so irresistibly beautiful and evocative." --Craveonline It's silly, it's funny, it's irreverent. Comic Book Resources "Every bit as chaotic and unabashedly fun as one would expect. IGN Harley Quinn is a pure joy as a self-referential comedic anti-villain, and an antidote to the far too serious superhero operas that it shares its universe with.
