**Cullen Bunn : Harrow County Volume 3: Snake Doctor** before purchasing it in order to gage whether or not it would be worth my time, and all praised Harrow County Volume 3: Snake Doctor:

0 of 0 people found the following review helpful. Mostly goodBy J. RobinsonReally enjoyed most of this though the last third is drawn by a different artist who I didn't think was very good. The rest of the story is very good and creepy though and the art is superb.0 of 0 people found the following review helpful. Five StarsBy michaelFantastic book!5 of 9 people found the following review helpful. If that's something you enjoy then rock onBy M JonesThis book has a

heft to it that the first two don't, unfortunately, it's because a huge chunk of the book is filler (34ish pages!!) in the form of sketches and stuff almost nobody wants to pay for. If that's something you enjoy then rock on! The actual story is entertaining and the art is for the most part beautiful (it has a few different artists in the mix this time). For me, the book shook me up enough in a bad way to make me wonder if I'll get the next. I love the characters and the country gothic theme so maybe I'm in for the next book.... but it better knock my socks off.

The Skinless Boy seeks to understand the mysteries of his past, and Emmy investigates a decaying old domicile. Meanwhile, a malevolent serpent is sowing madness and malice in the minds of The Holler's residents, and only Bernice stands in the way of this new evil--but could enlisting the aid of the shadowy Lovely Belfont place her in a much more terrible danger? Collecting issues #9-#12 of the hit series by Cullen Bunn and Tyler Crook! Praise for previous volumes of Harrow County: "Deftly written, beautifully drawn, thoughtfully imagined. Harrow County already feels like a classic." -Michael Chabon (The Adventures of Kavalier and Clay) "Genuinely creepy and engaging, plus delicious art." -Mark Millar (Kick-Ass) "Harrow County is worth checking out if you're a horror comic fan!" -Clive Barker (Hellraiser) "A rare thing--both wonderfully charming and genuinely disturbing." -Mike Mignola (Hellboy)

About the Author Cullen Bunn is an American writer of comic books, short stories and novelist, known for his work on comic books such as Deadpool Kills the Marvel Universe for Marvel Comics, and The Damned and The Sixth Gun for Oni Press. His novel work includes the middle reader horror series Crooked Hills and his short story work includes the anthology collection Creeping Stones Other Stories. In 2011 Bunn was nominated for a Ghastly Awards, and won Broken Frontier's Best Writer Independent Award. In 2012 he was nominated for a Bram Stoker Award and an Eisner Award.
